The Palestinian Problem And United States Policy A Guide To Issues And References:

Historical Dictionary of the Arab-Israeli Conflict P R Kumaraswamy, 2015-10-08 Competing Jewish and Arab national claims over the Holy Land form the core of the Arab Israeli conflict thereby transforming it into the most intensely fought struggles in the history of humanity The conflict evokes unparalleled passion and hostility not only among its immediate participants and neighbors but also in the wider international community The involvement of three principal monotheistic religions makes the conflict a truly universal contestation As a result it often contributes to bouts of violence turmoil and terrorism in the Middle East and beyond This second edition of Historical Dictionary of the Arab Israeli Conflict covers the history through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 600 cross referenced entries important events key personalities official positions of principal states and the UN and other efforts to find a peaceful settlement This book is an excellent access point for students researchers and anyone wanting to know more about this conflict

United States Foreign Policy and the Middle East/North Africa Sanford R. Silverburg, Bernard Reich, 2015-07-16 This bibliography first published in 1990 is a result of a quarter century professional and personal relationship between two academics interested in Middle East studies The comprehensive bibliography consists of western primarily English language sources published through 1988 and early 1989 concerning foreign policy toward the Middle East and North Africa during the twentieth century Included are materials that deal directly with the topic material that has appeared in published form ie books monographs essays and articles Also included are some non published items most importantly American and British doctoral dissertations and master s theses

The A to Z of the Arab-Israeli Conflict P R Kumaraswamy, 2009-07-24 For over a century the conflict between the Arabs and Jews has remained the most intractable problem confronting the world Hardly a day passes that the Arab Israeli Conflict is not headlined in the media It has turned the Arabs and Israelis against one another and embittered relations within the two communities while drawing the rest of the world into the circle of disruption The A to Z of the Arab Israeli Conflict provides factual background through an introductory essay a chronology a bibliography and hundreds of cross referenced dictionary entries on the more significant persons places and events including the various wars and negotiations The history religion culture and archeology that this rivalry has sparked between the Arabs and Israelis over the same piece of territory is traced in this book which offers the essential details using neutral terms and thereby allowing readers to draw conclusions for themselves

Historical Dictionary of United States-Middle East Relations Peter L. Hahn, 2016-09-19 U S foreign relations in the Middle East has remained crucial through many decades and the complications facing the United States in the Middle East have become even more acute While the United States downgraded its military operations in Iraq that country failed to achieve a stable democratic footing and instead experienced schism and civil strife Israeli Palestinian disputes over land the status of refugees and control of Jerusalem intensified and international conflicts between Arab states and Israel escalated for the first

time since the 1980s The Arab Spring protest movements of 2011 and after ignited political turmoil across the region leading to revolutionary change in several states and triggering persistent unrest and violence in Libya Egypt Tunisia Yemen Syria and Iraq During the recent decade in short the Middle East has become the most unstable dangerous and complicated region of the world and the United States remains near the center of the maelstrom This second edition of Historical Dictionary of United States Middle East Relations contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 300 cross referenced entries on national leaders non governmental organizations policy initiatives and armed conflicts as well as entries on such topics as intelligence immigration and weapons of mass destruction This book is an excellent access point for students researchers and anyone wanting to know more about the US and Middle East Relations
