The Palestinian:

The Palestinian Novel Bashir Abu-Manneh, 2016-04-26 What happens to the Palestinian novel after the national dispossession of the nakba and how do Palestinian novelists respond to this massive crisis This is the first study in English to chart the development of the Palestinian novel in exile and under occupation from 1948 onwards By reading the novel in the context of the ebb and flow of Arab and Palestinian revolution Bashir Abu Manneh defines the links between aesthetics and politics Combining historical analysis with textual readings of key novels by Jabra Kanafani Habiby and Khalifeh the chronicle of the Palestinian novel unfolds as one that articulates humanism self sacrifice as collective redemption mutuality and self realization Political challenge hope and possibility are followed by the decay of collective and individual agency Genet s and Khoury s unrivalled literary homages to Palestinian revolt are also examined By critically engaging with Luk cs Adorno and postcolonial theory questions of struggle and self determination take centre stage **The Palestinian National**

Movement Amal Jamal, 2005-06-08 A comprehensive up to date account of the dynamics in the Palestinian political arena Ann M Lesch Villanova University This innovative study examines the internal dynamics of the Palestinian political elite and their impact on the struggle to establish a Palestinian state The PLO leadership has sought to prevent the rise of any alternative in the West Bank and Gaza Strip that can challenge its authority to represent Palestinian aspirations for self determination Drawing on Palestinian sources and interviews with Palestinian political leaders Jamal argues that the Fatah leadership has attempted to mobilize new social forces local secular nationalist and Islamist movements while undermining their ability to develop independent power structures This policy has served to radicalize the younger local elites contributing to the tensions that precipitated the first and second intifadas Israel s policies have undermined the legitimacy of the national elite while enhancing the Islamist opposition s ideological legitimacy In this way internal elite disunity and growing political differentiation have worked against development of a common Palestinian strategy of state building **The Palestinian Strategic Report 2012-2013** Dr. Mohsen Mohammad Saleh , 2015-06-30 This annual referential report has become an essential classic in the academic realm of Palestinian Studies It includes the latest and most recent statistical and analytic data on the various developments related to the Palestinian issue Al Zaytouna Center for Studies and Consultations in Beirut has published the Palestinian Strategic Report 2012 2013 PSR The Palestinian Strategic Report PSR is one of al Zaytouna s most important academic studies published periodically in both English and Arabic Today it can be surely asserted that PSR is a must reference for every researcher and academic who are interested in the contemporary developments of the Palestinian issue and the Arab Israeli conflict The PSR reviews biennially the various developments concerning the Palestinian question in a comprehensive objective and academic manner It offers a wealth of data up to date statistics and analyzes and offers an outlook of future events The PSR 2012 2013 falls in 400 pages and seven chapters Edited by Dr Mohsen Mohammad Saleh PSR 2012 2013 was written by 13 specialized researchers and reviewed by three consultants The

seven chapters cover the internal Palestinian scene the Israeli Palestinian scene the Palestinian issue and the Arab world the Palestinian issue and the Muslim world the Palestinian issue and the international situation the land and the holy sites and the demographic economic and educational Indicators **The Palestinian National Revival** Moshe Shemesh,2021-12-22 A former Israeli intelligence officer offers a fresh understanding of the complex history and politics of the Middle East in this new analysis In this book Moshe Shemesh looks at the formative years of the Palestinian national movement that emerged following the 1948 War and traces the leaders their objectives and their weaknesses fragmentation and conflicts with their neighbors He follows the formation of the Sons of Nakba the establishment of Fatah the reframing of Jordan as analogous with the Palestinian cause and the creation of the Palestine Liberation Organization and its new expression of nationalism until the 1967 War With unprecedented access to Arabic sources Shemesh provides new perspectives on inter Arab politics and the history of the intractable Arab Israeli conflict The Palestinian Strategic Report 2005 Dr. Mohsen Mohammad Saleh,Dr. Basheer Nafi',2007-05-15 The Palestinian Strategic Report is a highly academic annual report that assesses the Palestinian situation It rigorously studies the developments of various aspects of the Palestinian issue i e internal political affairs economic development demographic indicators the Arab Islamic and international stands and the Israeli attitudes and policies all within an academic well documented context that is supported with the most recent statistical data This report is the product of a massive team work exerted by a group of affiliated researchers and specialists editors and consultants It is published both in Arabic and English The first Report covered the year 2005 followed by the reports on 2006 and 2007 the report was well received and highly acclaimed especially within academics Two years later it can be surely asserted that this report is a must reference for every researcher or academic interests in the contemporary developments of the Palestinian issue and the Arab Israeli conflict Moreover its English version is among the few highly academic and objective writings in this field by an Arab research centre **China and the Palestinian Organizations** Shai Har-El,2024-08-19 This book explores the relations between China and the Palestinian organizations and their development during the period of 1964 1971 It serves as a case study for understanding China s relations with the Arab world the superpowers competition in the Middle East and the Arab Israeli conflict in general It offers a compelling retrospective on a critical period at a time when the contours of power and peace in the Middle East have shifted dramatically Highlighting the importance of building bridges of understanding and reconciliation across the Middle East divides it draws on the author s long experience of study research speaking and writing about the Arab Israeli conflict and Jewish Muslim reconciliation The Palestinian Refugee Problem Rex Brynen,Roula El-Rifai,2013-12-06 In this unique volume leading analysts from the Red Cross Middle East Institute and Refugee Affairs many of whom have been actively involved in past negotiations on this issue provide an overview of the key dimensions of the Palestinian refugee problem Mindful of the sensitive and contested nature of the subject none offers a single solution Instead each contribution summarises and synthesises the existing scholarly and governmental work on the

topic Each paper develops an array of policy options for resolving various aspects of the refugee issue From moral acknowledgements of the plight of refugees to host countries repatriation and reparations each policy analysis is written to provide a broad menu of choices rather than a single narrow set of recommendations No other work on the Palestinian refugee issue has undertaken such a task The Palestinian Refugee Problem The Search for a Resolution is likely to be a pre eminent reference and analytical work on the topic for many years to come The Palestinian Left and Its Decline Francesco Saverio Leopardi, 2020-07-06 This book examines the history of the Palestinian Left by focusing on the trajectory of the Popular Front for the Liberation of Palestine PFLP during its declining phase Relying on a substantial corpus of primary sources this study illustrates how the PFLP s political agency contributed to its own marginalisation within the Palestinian national movement Following the 1982 eviction of the Palestine Liberation Organisation PLO from Lebanon the bases of the PFLP s opposition to Fatah s primacy in the national movement were jeopardised This book argues that the PFLP s loyalty to the PLO institutional and political framework prevented the formulation of a real counterhegemonic political project This drove the PFLP s action to suffer a fundamental contradiction undermining its stance within the national movement In the attempt to continue its opposition to Fatah while maintaining integration in the Palestinian mainstream the PFLP s agency fluctuated compromising its effectiveness and credibility Apparently irreversible the PFLP s marginalisation is a factor fostering the current Palestinian impasse as no alternative is emerging to break the thirteen year long Hamas Fatah polarisation The Palestinian Strategic Report 2007 Dr. Mohsen Mohammad Saleh , 2010-06-21 The Palestinian Strategic Report is a highly academic annual report that assesses the Palestinian situation It rigorously studies the developments of various aspects of the Palestinian issue i e internal political affairs economic development demographic indicators the Arab Islamic and international stands and the Israeli attitudes and policies all within an academic well documented context that is supported with the most recent statistical data This report is the product of a massive team work exerted by a group of affiliated researchers and specialists editors and consultants It is published both in Arabic and English The first Report covered the year 2005 As later reports were released annually the report was well received and highly acclaimed especially within academics Today it can be surely asserted that this report is a must reference for every researcher or academic interests in the contemporary developments of the Palestinian issue and the Arab Israeli conflict Moreover its English version is among the few highly academic and objective writings in this field by an Arab research centre The Palestinian Strategic Report 2006 Dr. Mohsen Mohammad Saleh , 2010-05-18 The Palestinian Strategic Report is a highly academic annual report that assesses the Palestinian situation It rigorously studies the developments of various aspects of the Palestinian issue i e internal political affairs economic development demographic indicators the Arab Islamic and international stands and the Israeli attitudes and policies all within an academic well documented context that is supported with the most recent statistical data This report is the product of a massive team work exerted by a group of affiliated
