The Papers Of Benjamin Franklin May 1 1777 Through September 30 1777 Volume 24:

The Papers of Benjamin Franklin Benjamin Franklin, 1959 **The Painter's Fire** Associate Professor of History and Art History Zara Anishanslin, Zara Anishanslin, 2025 The Painter's Fire follows a remarkable cohort of transatlantic artists who risked their lives and reputations to promote the patriot cause during the Revolutionary War Their experiences Zara Anishanslin shows testify to both the promise and the limits of liberty in the founding era [Our Founders' Warning Strobe](#) Talbott, 2020-08-25 The presidency of Donald Trump has wreaked havoc on American democracy divided American society unsettled foreign allies and partners and heartened dictators around the world The damage at home and abroad is likely to cast a long shadow into the future Trump has also defiled the past most notably America's origin and its soul The Founders counted on their successors to protect and perfect their prodigy with its fundamental ideals laws and procedures They also aspired to a code of personal morals and character Paramount were honesty rationality empathy and responsibility to the citizenry These liberal revolutionary criteria for public service and leadership derived from the European Enlightenment The spirit of that movement and its American version is alien to Trump and many of his predecessors would find him abhorrent and dangerous Strobe Talbott tells that story from the vantage of the Age of Trump bringing out the stark contrast between the 45th president and the first six Washington Adams Jefferson Madison Monroe John Quincy Adams who were children of the Age of Reason Amid myriad books on the Trump phenomenon in these dark days Talbott shines a light on our history in hope that the Founders legacy now in peril will be vindicated **The Classical and Christian Origins of American Politics** Kody W. Cooper, Justin Buckley Dyer, 2022-12-15 Shows how the American founding was deeply influenced by the classical Christian natural law tradition **Noble Undertaking** Brian Deming, 2025-05-30 Details the Continental Congress's transformation from diplomatic assembly to revolutionary leadership overcoming crises to unite a fledgling nation Beginning as a convention of delegates groping for an honorable way to mend ties with Great Britain the Continental Congress developed into an assembly saddled with the task of ushering in a new nation while managing a war This book examines the crises that bombarded Congress over those eventful years and explains how this collection of mostly well off men with much to lose came to lead a rebellion Wasting hours days weeks in debates that went nowhere delegates squabbled complained compromised acted courageously one day foolishly the next The account follows Congress as delegates fled Philadelphia in the face of a British threat to set up shop in Baltimore and later York Pennsylvania Documents and letters enable the reader to eavesdrop on the thoughts of delegates as they raged at the British moaned about their colleagues cheered morsels of happy news and sent off pleas for someone anyone to come take their place For many serving in Congress meant mostly drudgery frustration and anxiety all while far from home Yet this feeble government succeeded Without a constitution it kept the fragile union together Without taxing authority it financed the war and maintained an army in the field Its diplomatic team despite treachery and ineptitude engineered a critical alliance In 1778 as Congress returned to

Philadelphia from York the war was far from over Indeed it was not even half over But the path to an honorable peace was in view Congress for all its many flaws astonished the world by bringing forth a new republic and setting it on course for a promising destiny *Historical Documentary Editions*, 1986 China and the Founding of the United States Dave Xueliang Wang, 2021-10-25 This book discusses examples of how the U S Founding Fathers were influenced and inspired by Chinese agriculture architecture and philosophy China then one of the most stable and powerful civilizations in the world offered unique perspectives on various aspects of society which were distinct from the Founding Fathers European heritage China provided an alternative set of social and political frameworks which supported the Founding Fathers efforts to craft a unique heritage for their young nation These Founders sought to establish a political identity that was distinct from European aristocratic traditions **Historical Documentary Editions** United States. National Historical Publications and Records Commission, 1986 **Threshold to Valley Forge** Sheilah D. Vance, 2025-02-28 Threshold to Valley Forge adds an important untold chapter to Pennsylvania s Revolutionary War history Through extensive research Vance illuminates how six days in Gulph Mills shaped the Continental Army s path to Valley Forge while highlighting the complex challenges faced by Pennsylvanians during this pivotal time The Honorable Robert P Casey Jr United States Senator for Pennsylvania When George Washington and the Continental Army marched into Gulph Mills in December 1777 they were uncheered by any recent triumph Washington s army had lost at Brandywine at Germantown and at Paoli and the British had captured Philadelphia the largest city in the American colonies Even worse the Continental Congress had recently visited the patriot camp in Whitemarsh to inspect Washington s work questioning if he was the right man to lead the Continental Army Members of the Continental Congress and local legislators pushed for one more battle with the British before going into winter quarters but the soldiers and generals were in no condition to engage the enemy The army was bruised famished and despondent At the same time the new nation was trying to secure its existence The states began debating whether to adopt the Articles of Confederation that the Continental Congress had passed in the previous month Benjamin Franklin and the members of the American Commission were in France lobbying the King Louis XVI and his government to officially support the United States From December 12 19 1777 Washington s Army encamped in the towering hills of Gulph Mills Pennsylvania fifteen miles from Philadelphia Known as the Threshold to Valley Forge the Gulph Mills Encampment is often forgotten or minimized falling as it did between the more famous military engagements of the Philadelphia Campaign and the well known experience of the army at Valley Forge Yet the Gulph Mills Encampment was a significant microcosm of the Revolutionary War It included encounters with the British and the local community little food clothing and shelter for the troops the celebration of the new nation s first Thanksgiving and tough decisions by Washington including his momentous decision to make Valley Forge the army s winter quarters Based largely on writings and documents from soldiers generals local residents the Continental Congress the British Army and others this book reveals the fascinating details of George

Washington's and the Continental Army's last stand before and as they moved into winter quarters at Valley Forge
