The Papers Of John Henry Volume :

The Letters and Diaries of John Henry Newman Volume IX John Henry Newman, 2006-02-23 John Henry Newman 1801 90 was brought up in the Church of England in the Evangelical tradition An Oxford graduate and Fellow of Oriel College he was appointed Vicar of St Mary s Oxford in 1828 from 1839 onwards he began to have doubts about the claims of the Anglican Church and in 1845 he was received into the Roman Catholic Church He was made a Cardinal in 1879 His influence on both the restoration of Roman Catholicism in England and the advance of Catholic ideas in the Church of England was profound This volume covers a crucially important and significant period in Newman s life The Church of England bishops continuing condemnation of Tract 90 plus Pusey s two year suspension for preaching a university sermon on the Real Presence are major factors in Newman resigning as Vicar of St Mary s Oxford His doubts about the Church of England are deeper and stronger than ever and he is moving closer to Rome William Lockhart s sudden defection to Rome in August 1843 precipitates his resignation He preaches his final Anglican sermon The Parting of Friends and retires into lay communion at Littlemore The first edition of University Sermons including the celebrated sermon on theological development virtually sells out within a fortnight *The Papers of Thomas Jefferson, Volume 29* Thomas Jefferson, 2018-06-05 In the twenty two months covered by this volume Jefferson spent most of his time at Monticello where in his short lived retirement from office he turned in earnest to the renovation of his residence and described himself as a monstrous farmer Yet he narrowly missed being elected George Washington s successor as president and took the oath of office as vice president in March 1797 In early summer he presided over the Senate after President John Adams summoned Congress to deal with the country s worsening relations with France As the key figure in the growing Republican quarter Jefferson collaborated with such allies as James Monroe and James Madison and drafted a petition to the Virginia House of Delegates upholding the right of representatives to communicate freely with their constituents The unauthorized publication of a letter to Philip Mazzei in which Jefferson decried the former Samsons in the field and Solomons in the council who had been shorn by the harlot England made the vice president the uncomfortable target of intense partisan attention In addition Luther Martin publicly challenged Jefferson s treatment in Notes on Virginia of the famous oration of Logan Jefferson became president of the American Philosophical Society and presented a paper describing the fossilized remains of the megalonyx or great claw At Monticello he evaluated the merits of threshing machines corresponded with British agricultural authorities sought new crops for his rotation schemes manufactured nails and entertained family members and visitors **The Taft Court: Volume 10** Robert C. Post, 2023-11-09 The Taft Court offers the definitive history of the Supreme Court from 1921 to 1930 when William Howard Taft was Chief Justice Using untapped archival material Robert C Post engagingly recounts the ambivalent effort to create a modern American administrative state out of the institutional innovations of World War I He shows how the Court sought to establish authoritative forms of constitutional interpretation despite the culture wars that

enveloped prohibition and pervasive labor unrest He explores in great detail how constitutional law responds to altered circumstances The work provides comprehensive portraits of seminal figures such as Oliver Wendell Holmes Jr and Louis Dembitz Brandeis It describes William Howard Taft s many judicial reforms and his profound alteration of the role of Chief Justice A critical and timely contribution The Taft Court sheds light on jurisprudential debates that are just as relevant today as they were a century ago
