The Connection Between Your Mind and Your Material In *As a Man Thinketh* James Allen says that thoughts are things And in this book *The Path of Prosperity* he goes a step further and teaches you the spiritual and deep connection between your attitude and your prosperity The book emphasizes the importance of having positive pure and powerful character traits enriching your soul as they are the corner stone to achieve true prosperity in life One such is to be helpful to others in losing yourself in the service of others to paraphrase James Allen In James Allen's trademark style it is about what you have thought and done up until now that have given you your current reality and degree of prosperity Since you can change and manage your thoughts and action you of course can change the degree of your prosperity This book is an important forerunner to current works like *The Secret* Contents of the Book 1 The Lesson of Evil 2 The World a Reflex of Mental States 3 The Way Out of Undesirable Conditions 4 The Silent Power of Thought Controlling and Directing One's Forces 5 The Secret of Health Success and Power 6 The Secret of Abounding Happiness 7 The Realization of Prosperity Some Insights From the Book For You 1 You desire a larger and more sanitary residence Then you must fit yourself for such a residence by first of all making your cottage as far as possible a little paradise Keep it spotlessly clean Make it look as pretty and sweet as your limited means will allow Cook your plain food with all care and arrange your humble table as tastefully as you possibly can 2 To be patient under all circumstances and to accept all conditions as necessary factors in your training is to rise superior to all painful conditions and to overcome them with an overcoming which is sure and which leaves no fear of their return for by the power of obedience to law they are utterly slain 3 Your true wealth is your stock of virtue and your true power the uses to which you put it Rectify your heart and you will rectify your life Lust hatred anger vanity pride covetousness self indulgence self seeking obstinacy all these are poverty and weakness whereas love purity gentleness

meekness compassion generosity self forgetfulness and self renunciation all these are wealth and power 4 The old materialistic belief that a man is what his body makes him is rapidly passing away and is being replaced by the inspiring belief that man is superior to his body and that his body is what he makes it by the power of thought Scroll Up and Get Your Copy Other James Allen s Paperbacks 1 The Mastery of Destiny<https://www.createspace.com/6377525> 2 The Life Triumphant Mastering the Heart Mind<https://www.createspace.com/6377813> 3 The Way of Peace<https://www.createspace.com/6384388>

The Path of Prosperity James Allen, 2014-03-25 The way to true riches Allen affirms is to enrich the soul by the acquisition of virtue Outside of real heart virtue there is neither prosperity nor power but only the appearances of these In its emphasis on the power of the mind to create circumstances and with its metaphysical underpinnings The Path to Prosperity was a forerunner of books like The Secret and has been an important influence in the self development field At only 60 pages it is a small and special treasure TABLE OF CONTENTS Foreword Chapter 1 The Lesson of Evil Chapter 2 The World a Reflex of Mental States Chapter 3 The Way out of Undesirable Conditions Chapter 4 The Silent Power of Thought Controlling and Directing One s Forces Chapter 5 The Secret of Health Success and Power Chapter 6 The Secret of Abounding Happiness Chapter 7 The Realization of Prosperity I looked around upon the world and saw that it was shadowed by sorrow and scorched by the fierce fires of suffering And I looked for the cause I looked around but could not find it I looked in books but could not find it I looked within and found there both the cause and the self made nature of that cause I looked again and deeper and found the remedy I found one Law the Law of Love one Life the Life of adjustment to that Law one Truth the truth of a conquered mind and a quiet and obedient heart And I dreamed of writing a book which should help men and women whether rich or poor learned or unlearned worldly or unworldly to find within themselves the source of all success all happiness all accomplishment all truth And the dream remained with me and at last became substantial and now I send it forth into the world on its mission of healing and blessedness knowing that it cannot fail to reach the homes and hearts of those who are waiting and ready to receive it By your own thoughts you make or mar your life your world your universe As you build within by the power of thought so will your outward life and circumstances shape themselves accordingly James Allen
