The Path To The Throne:

The Path to the Throne of God Sarah Elizabeth Peck, 2001 This study of the sanctuary aims to give the reader an overall view of the entire sanctuary including the earthly and the heavenly sanctuaries and reaching its climax in the temple eternal the earthly model as constructed by Moses being a type or illustration of both the others It also aims to make plain that the sanctuary symbolizes not only the redemptive work of Christ but also the Christian experience of each of His followers and of the church as a whole

The Ministry, Vol. 06, No. 06 Various Authors, 2002-06-01 In this issue of The Ministry we include the final eight messages of The Visions of Ezekiel concerning God's Economy given during the 2001 fall term of the Full time Training in Anaheim The book of Ezekiel is composed of four main sections The first section concerns the vision of the appearance of the Lord's glory The next section concerns God's judgment both on His disobedient and wayward people and on the nations The third section concerns the Lord's recovery by life The first message of this volume deals with the vision of the throne above the clear sky The highest point in our Christian experience and in our living as Christians in the church life is not simply to have a crystal clear sky We need to reach the highest point where we see the man on the throne and realize that God's goal is to have many men on the throne with Christ as the God man The last message of this series focuses on the last section of Ezekiel on the vision of the holy building of God Next to God Himself this is perhaps the greatest matter in the Bible because it involves the totality of God's work in His economy through the ages to produce an expression of Himself Last of all we include a report of the first International Blending Conference in Accra Ghana held in March 2002
