The Pauline Circle:

The Pauline Circle, 2019 **The Pauline Circle** F. F. Bruce, 2006-11-01 The Pauline Circle Paul writes F F Bruce attracted friends around him as a magnet attracts iron filings The New Testament evidence for Paul s wide circle of friends is plentiful both in Paul s own writings and in the Book of Acts In this book Bruce who is widely known as one of today s foremost Pauline scholars looks at several of Paul s closest friends and associates as well as several of the countless co workers hosts and hostesses he encountered in his life and ministry Barnabas Silas Timothy Luke Priscilla and Aquila Onesimus and Mark are among those discussed in terms of both their relationship to Paul and their relationship to the early church Bruce surveys the biblical evidence for the stories of these people placing it against its first century background and examining the relationships that underlie the New Testament references The result written in Bruce s usual engaging and accessible style is a fascinating look at the men and women who surrounded Paul and influenced the New Testament church

The Men of the Pauline Circle Herbert S. Seekings, 1914 **The Pauline Circle** Frederick F. Bruce, 1986 **God's Design for Man and Woman** Andreas J. Köstenberger, Margaret Elizabeth Köstenberger, 2014-08-31 Equipping a New Generation to Live Out God s Design This thorough study of the Bible s teaching on men and women aims to help a new generation of Christians live for Christ in today s world Moving beyond other treatments that primarily focus on select passages this winsome volume traces Scripture s overarching pattern related to male female relationships in both the Old and New Testaments Those interested in careful discussion rather than caustic debate will discover that God s design is not confining or discriminatory but beautiful wise liberating and good Hebrews David L. Allen, 2010-09-15 The New American Commentary series is an exceptionally acclaimed resource for ministers and Bible students who want to understand and expound the Scriptures Notable features in this new Hebrews volume by scholar David Allen include Commentary based on the New International Version NIV text printed in the body of the commentary Sound scholarly methodology reflecting capable research in the original languages Interpretation emphasizing the theological unity of each book and Scripture as a whole Readable and applicable exposition Paul and His Social Relations Stanley E. Porter, Christopher D. Land, 2012-11-13 This volume addresses many of the questions surrounding Paul and his social relations including how to define and analyze such relations their relationship to Paul s historical and social context how Paul related to numerous friends and foes and the implications for understanding Paul s letters as well as his theology **The Apostle Paul** Stanley E. Porter, 2016-09-23 In this comprehensive introduction to the apostle Paul Stanley Porter devotes serious consideration both to the background and major contours of Paul s thought and to the unique contributions of each of his letters Porter begins by introducing the Pauline tradition and outlining the basics of Paul s life the chronology of his ministry and his several imprisonments Porter then discusses the background to Paul s thought examines some of the major themes of his writings and treats issues concerning the Pauline epistles such as pseudonymity and canon Finally Porter delves into all

thirteen of Paul's letters individually placing them within their historical contexts and examining critical issues relating to the content and interpretation of each letter. The result is a thorough balanced treatment of one of the most important figures in Christianity.

Early Christian Families in Context David L. Balch, Carolyn Osiek, 2003. Typical studies of marriage and family in the early Christian period focus on very limited evidence found in Scripture. This interdisciplinary book offers a broader, richer picture of the first Christian families by drawing together research by experts ranging from archaeologists to ancient historians. By exploring the nature of households in the ancient Greco-Roman world, the contributors assemble a new understanding of ancient Christian families that is both compelling and instructive. Divided into six parts, the book covers key aspects of ancient family life from meals and child rearing to women's roles and the lives of slaves. Three concluding chapters explore the implications of all this information for theological education today.

Contributors: David L. Balch, Suzanne Dixon, J. Albert Harrill, Ross S. Kraemer, Christian Laes, Peter Lampe, Amy Jill Levine, Margaret Y. MacDonald, Dale Martin, Eric M. Meyers, Margaret M. Mitchell, Carolyn Osiek, Beryl Rawson, Richard Saller, Timothy F. Sedgwick, Monika Trummer, Andrew Wallace-Hadrill.

The First Urban Christians Wayne A. Meeks, 2003-01-01. Meeks analyzes the letters of Paul to see what kind of people joined the Christian groups in the urban centers and what it was like to be a Christian then.
