The Battle For Iwo Jima By Leckie Robert:

The Battle for Iwo Jima Robert Leckie, 2004 From the air the Pacific island of Iwo Jima looks like a large gray pork chop Its strategic location midway between the U S B 29 airfields on the Marianas Islands and the Japanese home islands meant that it had to be seized no matter what the cost On February 19 1945 the invasion of Iwo Jima was launched It became the greatest battle fought by the U S Marine Corps in World War II From it came the most famous image of the war the raising of the flag on Mount Suribachi When it ended a month later the Marines had suffered 20 000 casualties almost 5 000 men killed in action And an astonishing twenty six Marines were awarded America s highest decoration for valor the Medal of Honor

Book jacket **Onto the Black Shores of Hell: the Battle for Iwo Jima** Peter Doornekamp, 2017-04-23 On 19 February 1945 thousands of Marines landed on the black shores of a tiny volcanic island in the Pacific The fight that was supposed to take 3 days lasted well over a month It was the only battle in which the Marine Corps suffered more casualties than the Japanese In just over a month of fighting 27 Medals of Honor were awarded and only 216 of the 22 000 Japanese defenders surrendered Three United States Marines share their personal experiences from boot camp to the shores of Iwo Jima through a largely day by day account interwoven with historical background information The Battle of Iwo Jima Walt Sandberg, 2005-01-11 Beginning with the Marine assault on February 19 1945 the Battle for Iwo Jima quickly became the bloodiest battle in Marine Corps history Today this fierce battle remains high in our collective memories not only for its terrors but for its indelible image of triumph the raising of the flag on Mt Suribachi Much information exists about the Battle for Iwo Jima but it is scattered and can be difficult to track down This book draws the information together in two ways It offers bibliographic listings to lead researchers to useful sources and provides actual texts of documents related to the battle and its aftermath Part One The Bibliography offers information on more than 800 books magazines official documents audio visual materials and online resources about the Battle of Iwo Jima Each listing is annotated to assist researchers historians veterans and others seeking information Part Two The Anthology offers the texts of hard to locate documents a series of maps showing the day by day progression of the battle and a selection of poetry inspired by the battle Appendices provide details of the American chain of command and both the American and the Japanese orders of battle describe some lingering mysteries about the Battle of Iwo Jima and list Iwo Jima memorial sites around the world Jenny Sockey, 2002-06-01

The Lions of Iwo Jima Fred Haynes, James A. Warren, 2008-08-05 In 1945 my father John Bradley and other members of Combat Team 28 raised a flag on Iwo Jima Now with *The Lions of Iwo Jima* Haynes helps America understand how it was done James Bradley author of *Flags of Our Fathers* and *Flyboys* Combat Team 28 one of the greatest units fielded in the history of the U S Marines landed on the black sands of Iwo Jima on February 19 1945 The unit 4 500 men strong plunged immediately into ferocious combat and by the time the battle ended 70 percent of the men in the team's three assault battalions were killed or seriously wounded The stories told here many for the first time will seem too cruel too heartbreaking to be believed As one veteran remarked Each day we learned a new way to die Major General Fred Haynes then a young captain is the last surviving officer in CT 28 who was intimately involved in planning and coordinating all phases of the team's fight on Iwo Jima In this astonishing narrative Haynes and James A Warren recapture in riveting detail what the Marines experienced drawing on a wealth of previously untapped documents personal narratives letters and interviews with survivors to offer fresh interpretations of the fight for Suribachi the iconic flag raising photograph and the nature of the campaign as a whole
