Smith Collection, Women's History Archive, Smith College, Northampton, Massachusetts: Author catalog Sophia Smith Collection, 1975 *Quakers and Mysticism* Jon R. Kershner, 2019-08-29 This book examines the nearly 400 year tradition of Quaker engagements with mystical ideas and sources. It provides a fresh assessment of the way tradition and social context can shape a religious community while interplaying with historical and theological antecedents within the tradition. Quaker concepts such as Meeting the Light and embodied spirituality have led Friends to develop an interior spirituality that intersects with extra Quaker sources such as those found in Jakob Boehme, Ab Bakr ibn Tufayl, the Continental Quietists, Kabbalah, Buddhist thought, and Luvia indigenous religion. Through time and across cultures, these and other conversations have shaped Quaker self understanding and so expanded previous models of how religious ideas take root within a tradition. The thinkers engaged in this globally focused interdisciplinary volume include George Fox, James Nayler, Robert Barclay, Elizabeth Ashbridge, John Woolman, Hannah Whitall Smith, Rufus Jones, Inazo Nitobe, Howard Thurman, and Gideon W. H. Mweresa among others. *Woman's World/Woman's Empire* Ian Tyrrell, 2014-03-19 Frances Willard founded the Woman's Christian Temperance Union in 1884 to carry the message of women's emancipation throughout the world. Based in the United States, the WCTU rapidly became an international organization with affiliates in forty-two countries. Ian Tyrrell tells the extraordinary story of how a handful of women sought to change the mores of the world not only by abolishing alcohol but also by promoting peace and attacking prostitution, poverty, and male control of democratic political structures. In describing the work of Mary Leavitt, Jessie Ackermann, and other temperance crusaders on the international scene, Tyrrell identifies the tensions generated by conflict between the WCTU's universalist agenda and its own version of an ideologically and religiously based form of cultural imperialism. The union embraced an international and occasionally ecumenical vision that included a critique of Western materialism and imperialism. But at the same time, its mission inevitably promoted Anglo-American cultural practices and Protestant evangelical beliefs deemed morally superior by the WCTU. Tyrrell also considers from a comparative perspective the peculiar links between feminism, social reform, and evangelical religion in Anglo-American culture that made it so difficult for the WCTU to export its vision of a woman-centered mission to other cultures. Even in other Western states, forging links between feminism and religiously based temperance reform was made virtually impossible by religious class and cultural barriers. Thus the WCTU ultimately failed in its efforts to achieve a sober and pure world, although its members significantly shaped the values of those countries in which it exercised strong influence. As an urgently needed history of the first largescale worldwide women's organization and non-denominational evangelical institution, *Woman's World/Woman's Empire* will be a valuable resource to scholars in the fields of women's studies, religion history, and alcohol and temperance studies. *Hannah Whitall Smith Treasury - The God of All Comfort & The Christian's Secret of a Happy Life* Hannah Whitall Smith, 2020-08-21 Complete editions of *The God of All Comfort* and *The Christian's Secret of a Happy Life* by Hannah Whitall Smith. over 100 years ago The Christian s Secret is the early 1885 edition and has the rarely included 19th chapter The Baptism of The Holy Ghost Can you not remember some of you the shout of triumph your souls gave when you first became acquainted with the Lord Jesus and had a glimpse of His mighty saving power How sure you were of victory then How easy it seemed to be more than conquerors through Him that loved you The God of All Comfort helps the reader focus on the futility of finding comfort outside of God While we are looking at ourselves we simply cannot behold God It is not that He hides Himself He is always there in full view of all who look unto Him but if we are looking in another direction we cannot expect to see Him All students of thought should get this historic book This edition is provided in a slim volume with full text at an affordable price

Letters Between Mothers and Daughters Barbara Caine,2018-02-02 There are now many studies of family letters in Europe but most of them focus on marital letters and letters between parents especially mothers and their sons Little attention has been paid to the letters to and from daughters This volume seeks to begin filling that gap by exploring the continuities and changes evident in the letters written between mothers and daughters over several centuries Some of these changes reflect the history of letters and the ways that they were written and delivered especially the move from the use of scribes and couriers in the medieval and early modern period which made both the writing and reading of letters a public affair to the use of pens and the situation in which letters were able to be written in private and read only by the person to whom they were addressed But the letters also reveal the changing nature of the mother and daughter relationship as the formal and more distant ties evident in the early period in which dynastic and other matters were often more important to a mother than her daughter s personal happiness were replaced by closer and more intimate ties and a concern with particular personalities and individual needs This book was originally published as a special issue of Women s History Review
