Voices of the Vietnam POWs Craig Howes, 1993-09-30 Unsure whether they would be greeted as traitors or heroes POWs returning from Vietnam responded by holding tight to their chosen motto Return with Honor We're giving the American people what they want and badly need heroes said a Vietnam jungle POW I feel it's our responsibility our duty to help them where possible shed the idea this war was a waste useless as unpopular as it may have been In the first book to explore the entire range of memoirs biographies and group histories published since America's Vietnam POWs returned home Craig Howes explores the development of a collective history He describes how these captives drew upon their national heritage to compose a unified common story while still in prison and how individual POWs have responded to this Official Story Examining what racial cultural and political assumptions support this shared Official Story Howes places the POWs experiences squarely in the center of American history and within those larger clashes of opinion and belief which characterized the nation's response to the Vietnam War The result is an engrossing study of what these captivity narratives can tell us about the POWs their captors and America's Vietnam legacy

Rolling Thunder 1965-68 Richard P. Hallion, 2018-02-22 Operation Rolling Thunder was the campaign that was meant to keep South Vietnam secure and dissuade the North from arming and supplying the Viet Cong It pitted the world's strongest air forces against the MiGs and missiles of a small Soviet client state But the US airmen who flew Rolling Thunder missions were crippled by a badly thought out strategy rampant political interference in operational matters and aircraft optimised for Cold War nuclear strikes rather than conventional warfare Ironically Rolling Thunder was one of the most influential episodes of the Cold War its failure spurring the 1970s US renaissance in professional fighter design and combat pilot training Dr Richard P Hallion one of America's most eminent air power experts explains how Rolling Thunder was conceived and fought and why it became shorthand for how not to fight an air campaign
