C. Chambers,2017-09-07 THE LAST GOODBYE by D C Chambers The Last Goodbye shows a complex relationship between twenty five year old Sonny Noir a gay man feeling beaten by the system and forty two year old Jacqueline Svenson Skylar a newly transplanted wealthy New York socialite who recently moved to Chicago carrying a lifetime of unhappiness on her shoulders The Last Goodbye opens with a riveting quadruple homicide at the Miami International Airport on February 13 1981 which the news media quickly labeled as the Friday the 13th Massacre at MIA It circles back in time with Sonny telling his life story from his teen years to the day he and Jacqueline witness the unfolding scene at MIA He searches to find a balance between his love life as a gay man desperately tries to understand the mounting complications of his friendship with a straight woman whose life has fallen apart and the struggles of social injustice against the lesbian and gay community he encounters along the way Through all his ups and downs he fights to stay true to his own identity He s not exclusive to surrounding himself with men He also cherishes the comfort of women as friends Sonny and Jacqueline find a connection within the first few minutes of meeting while attending The Oak Park School of Hairstyling even though they come from opposite ends of society and the money spectrum Sonny is driven and worked hard to achieve a great education to pull himself up from his lower middle class roots But after five years

in his computer career he became disheartened and began to lose hope in the American Dream He encounters many disappointments in his life but he s a fighter Sonny and Jacqueline s lives are filled with never ending trials and tribulations alcoholism and cheating It leaves you asking the question many times over Why can t they part and go their separate ways leading up to the realization that saying goodbye may be their only way to survive
