The Parade:

The Parade's End Tetralogy: Some Do Not, No More Parades, A Man Could Stand Up & Last Post Ford Madox Ford, 2023-11-29 The Parade's End Tetralogy comprising *Some Do Not*, *No More Parades*, *A Man Could Stand Up* and *Last Post* is a masterful exploration of the disillusionment wrought by World War I. Ford Madox Ford employs a modernist literary style characterized by its stream of consciousness technique, fragmented narrative, and rich psychological depth. Set against the backdrop of the tumultuous years before, during, and after the war, Ford intricately weaves the lives of his characters, primarily focusing on Christopher Tietjens, a soldier grappling with societal expectations and personal convictions amidst the chaos of change. The tetralogy vividly captures the erosion of traditional values, reflecting the larger existential crises faced by a generation. Ford Madox Ford, a pivotal figure in early 20th-century literature, was deeply influenced by his own experiences of war and the shifting social landscape of his time. Born in 1873 and steeped in the literary circles of Edwardian England, Ford's works often grapple with themes of identity, loyalty, and the moral complexities of war. His own service in the army and his relationships with fellow writers such as Joseph Conrad and Ezra Pound shaped his narrative techniques and thematic concerns, making this tetralogy an essential reflection on contemporary society. This profound and poignant tetralogy is highly recommended for readers seeking a deeper understanding of the effects of war on the human psyche and societal norms. Ford's nuanced examination of love, duty, and betrayal, set against the historical backdrop, resonates with modern audiences. For anyone interested in modernist literature and the human condition, *The Parade's End Tetralogy* is an indispensable addition to your reading list.

Creating a Latino Identity in the Nation's Capital Olivia Cadaval, 2021-11-01 First published in 1999, in this study the author uses the annual Latino Festival as a framework for focusing the action and integrating many important informal and formal aspects of the Washington D.C. Latino Community. She demonstrates how the festival became a stage where relationships were defined, networks established, and identity enacted, and provided my window into the history and development of the community. For this study, she was interested in an interpretative framework appropriate to the festival which would reflect the multiple voices and points of view found within the community.
