Armstrong, Peter Crooks, Andrea Ruddick, 2022-01-24 This book is the first of its kind to engage explicitly with the practice of conceptual history as it relates to the study of the Middle Ages exploring the pay offs and pitfalls of using concepts in medieval history Concepts are indispensable to historians as a means of understanding past societies but those concepts conjured in an effort to bring order to the infinite complexity of the past have a bad habit of

taking on a life of their own and inordinately influencing historical interpretation The most famous example is feudalism whose fate as a concept is reviewed here by E A R Brown nearly fifty years after her seminal article on the topic The volume s contributors offer a series of case studies of other concepts colony crisis frontier identity magic networks and politics that have been influential particularly among historians of Britain and Ireland in the later Middle Ages The book explores the creative friction between historical ideas and analytical categories and the potential for fresh and meaningful understandings to emerge from their dialogue

Women in Medieval History and Historiography Susan Mosher Stuard,2016-11-11 What was the status of women in the Middle Ages How have women fared in the hands of historians And what is the current state of research about women in the Middle Ages Susan Mosher Stuard addresses these questions in a collection of essays that delve in to the history and historiography of women in medieval England France Italy and Germany Contributors include Barbara Hanawalt Diane Owen Hughes Suzanne Wemple Denise Kaiser and Martha Howell One of the most interesting observations made in Women in Medieval History and Historiography is the way in which the history of women in each country has followed a distinct course that is in rhythm with other concerns of national historical writing Women in Medieval History and Historiography will interest historians scholars of women s studies and medievalists

McCrank,2001 Here is an extensive review and bibliographic essay backed by 5 000 citations about developments in information technology since the advent of personal computing and the convergence of the disciplines Its focus is on the access preservation and analysis of historical information primarily in electronic form and the relationships between new methodology and instructional media technique and research trends in library special collections digital libraries electronic and data archives and museums

The Merovingians in Historiographical Tradition Yaniv Fox,2023-11-16 The Merovingian centuries were a foundational period in the historical consciousness of western Europe The memory of the first dynasty of Frankish kings their origin myths accomplishments and failures were used by generations of chroniclers propagandists and historians to justify a wide range of social and political agendas The process of curating and editing the source material gave rise to a recognizable Merovingian narrative with three distinct phases meteoric ascent stasis and decline Already in the seventh century Chronicle of Fredegar this tripartite model was invoked by a Merovingian queen to prophesy the fate of her descendants This expert commentary sets out to understand how the story of the Merovingians was shaped through a process of continuous historiographical adaptation It examines authors from across a millennium of historical writing and analyzes their influences and objectives charting the often unexpected ways in which their narratives were received and developed
