

Somozas Last Stand

Ernest Van den Haag, Tom J. Farer

Somozas Last Stand:

Somoza's Last Stand Larry Towell, 1990 The Cold War Spencer C. Tucker, 2020-10-27 This sweeping reference work covers every aspect of the Cold War from its ignition in the ashes of World War II through the Berlin Wall and the Cuban Missile Crisis to the collapse of the Soviet Union in 1991 The Cold War superpower face off between the Soviet Union and the United States dominated international affairs in the second half of the 20th century and still reverberates around the world today This comprehensive and insightful multivolume set provides authoritative entries on all aspects of this world changing event including wars new military technologies diplomatic initiatives espionage activities important individuals and organizations economic developments societal and cultural events and more This expansive coverage provides readers with the necessary context to understand the many facets of this complex conflict The work begins with a preface and introduction and then offers illuminating introductory essays on the origins and course of the Cold War which are followed by some 1 500 entries on key individuals wars battles weapons systems diplomacy politics economics and art and culture Each entry has cross references and a list of books for further reading The text includes more than 100 key primary source documents a detailed chronology a glossary and a selective bibliography Numerous illustrations and maps are inset throughout to provide additional context to the material

Life is Hard Roger N. Lancaster, 1994-08-30 Rambo took the barrios by storm Spanish videotapes of the movie were widely available and nearly all the boys and young men had seen it usually on the VCRs of their family s more affluent friends As one young Sandinista commented Rambo is like the Nicaraguan soldier He s a superman And if the United States invades we ll cut the marines down like Rambo did And then he mimicked Rambo s famous war howl and mimed his arc of machine gun fire We both laughed from the book There is a Nicaragua that Americans have rarely seen or heard about a nation of jarring political paradoxes and staggering social and cultural flux In this Nicaragua the culture of machismo still governs most relationships insidious racism belies official declarations of ethnic harmony sexual relationships between men differ starkly from American conceptions of homosexuality and fascination with all things American is rampant Roger Lancaster reveals the enduring character of Nicaraguan society as he records the experiences of three families and their community through times of war hyperinflation dire shortages and political turmoil Life is hard for the inhabitants of working class barrios like Do a Flora who expects little from men and who has reared her four children with the help of a constant female companion and life is hard for Miguel undersized and vulnerable stigmatized as a coch n a faggot until he learned to fight back against his brutalizers Through candid discussions with young and old Nicaraguans men and women Lancaster constructs an account of the successes and failures of the 1979 Sandinista Revolution documenting the effects of war and embargo on the cultural and economic fabric of Nicaraguan society He tracks the break up of families surveys informal networks that allow female headed households to survive explores the gradual transformation of the culture of machismo and reveals a world where heroic efforts have been stymied and the best hopes deferred This vast chronicle is

sustained by a rich theoretical interpretation of the meanings of ideology power and the family in a revolutionary setting Played out against a backdrop of political travail and social dislocation this work is a story of survival and resistance but also of humor and happiness Roger Lancaster shows us that life is hard but then too life goes on **Peasants in Arms** Lynn Horton,2014-08-27 Drawing on testimonies from contra collaborators and ex combatants as well as pro Sandinista peasants this book presents a dynamic account of the growing divisions between peasants from the area of Quilal who took up arms in defense of revolutionary programs and ideals such as land reform and equality and those who opposed the FSLN Peasants in Arms details the role of local elites in organizing the first anti Sandinista uprising in 1980 and their subsequent rise to positions of field command in the contras Lynn Horton explores the internal factors that led a majority of peasants to turn against the revolution and the ways in which the military draft and family and community pressures reinforced conflict and undermined mid decade FSLN policy shifts that attempted to win back peasant support Somoza and Roosevelt Andrew Crawley,2007-06-28 Andrew Crawley examines US non intervention in another country s affairs and how it could be detrimental both to the United States and to the country in question in this case Nicaragua He analyses the relations between the United States and Nicaragua during the Depression and the Second World War the period of Franklin Roosevelt s good neighbour policy and challenges theories about the role of the United States in the creation and consolidation of one of Latin America s mostenduring authoritarian regimes *Africa, Asia, and South America Since 1800* A. J. H. Latham,1995 A reference for graduate and undergraduate students presenting the bibliographic details and sometimes describing and evaluating the content of over 5 000 books in English most published since 1945 and many quite recently but also some earlier works of enduring importance A section of works on all three continents is followed by sections on each which first consider the continent as a whole then each country usually by chronological periods and topics such as economics politics and society Indexed only by author and editor but the table of contents is detailed enough to provide adequate access Distributed in the US by St Martin s Press Annotation copyright Book News Inc Portland Or **Somoza and the Legacy of U.S. Involvement in Central America** Bernard Diederich,1989 U. S. Ends and Means in Central America Ernest Van den Haag,Tom J. Farer,2013-11-11 **The Spectator** ,1978-07 A weekly review of politics literature theology and art **The Routledge Handbook of Black Canadian Literature** Andrea A. Davis,Leslie Sanders,2024-12-09 The Routledge Handbook of Black Canadian Literature offers a comprehensive overview of the growing and increasingly significant field of Black Canadian literary studies Including historical and contemporary analysis this volume is an essential text that maps the field over the almost 200 years of its existence across a range of genres from slave narratives to prose fiction poetry theatre and dub and spoken word It presents Black Canadian literature as encompassing a diverse set of viewpoints approaches and practices touching every aspect of Canadian territory and life and as deeply influencing debates and understandings of Black peoples far beyond its borders This Handbook employs an interdisciplinary framework that incorporates literary historical

geographical and cultural analysis This book comprising 32 chapters is organized into five sections that chart the literature s development into a recognizable canon trace Black literary geographies across Canada from east to west delineate the literature s various genres and expressive forms and honor the writers and thinkers who have influenced the growth of the field This volume s range of subject and plurality of perspectives provide an excellent resource for teachers researchers and students from multiple disciplines including Canadian studies and literature Caribbean studies global Black studies hemispheric studies diaspora studies history and cultural studies

United States Policy Toward Nicaragua United States. Congress. House. Committee on Foreign

Affairs. Subcommittee on Inter-American Affairs,1979 **At the Fall of Somoza** Lawrence Pezzullo,Ralph Pezzullo,1993 Ambassador Pezzullo concludes by asking Why was a great superpower so deeply involved in a poor tiny country of two and a half million people Why given that involvement was the United States so ineffectual in gaining a peaceful settlement to Nicaragua s brutal civil war Lawrence and Ralph Pezzullo provide a rare glimpse into the push and pull of U S foreign policy making in a cold war atmosphere

Time Briton Hadden,Henry Robinson Luce,1960

The Companion to Latin

American Studies Philip Swanson,2014-04-04 What is Latin American Studies This companion gives a concise and accessible overview of the discipline Covering a wide range of topics from colonial cultures and identity to US Latino culture and issues of race gender and sexuality this book goes beyond conventional literary companions and situates Latin America in its historical social political literary and cultural context This essential book provides the key introductory information on the subject and will be especially useful for students taking or considering taking courses in Hispanic or Latin American Studies Written by an international team of experts each chapter supplies the necessary basic information and a sound introduction to central ideas issues and debates In addition to 12 chapters on the main topics in Latin American Studies the companion includes an introduction time chart glossary and suggestions for further reading

Washington, Somoza and

the Sandinistas Morris H. Morley,2002-08-08 Based on personal interviews and declassified US government documents this

book first published in 1994 studies US policy toward Nicaragua during the Nixon Ford and Carter presidencies **Somoza**

Falling Anthony Lake,1990 Carefully examines how our policy toward Nicaragua in 1978 89 emerged describes the characteristics of the middle players in this decision making process and discusses the complexities which govern their two important groups career officers and political appointees The result is an insightful objective and clear account based in part on frank interviews and personal experiences that illustrates both policy making groups paradoxical positions and offers precise lessons to be learned from past dealings with Third World revolutions Library Journal [Falling Friends](#) Martin Staniland,2019-04-08 For U S policymakers the collapse of governments headed by good friends of the United States has been over the past thirty years a repeated cause of alarm and embarrassment Such crises of succession have implications not only for U S foreign policy but also for recent and forthcoming changes in Eastern Europe and the Soviet Union Martin Staniland draws together extended case studies illustrating regime change and shows how each crisis resembles the others in its phases of development from the status quo to the attack phase and ultimately to negotiating the succession In the process students get to know the history culture and personalities involved from Batista and Eisenhower to Marcos and the Reagan administration As in every volume in the Case Studies in International Affairs series this volume opens with an introduction that taps into current theoretical debates in international relations while giving students a framework for understanding and comparing the cases that follow Individual introductions to each case place the study in context and discussion questions and exercises are strategically interjected throughout to encourage students to explore the issues and to assess the choices facing policymakers **A Bat Man in the Tropics** Theodore Fleming,2003-11-10 The euphoria of discovery is the only motivation many scientists need for studying nature and its secrets Yet euphoria is rarely expressed in scientific publications This book a personal account of more than thirty years of fieldwork by one of the world s leading bat biologists wonderfully conveys the thrill of scientific discovery Theodore Fleming s work to document the lives and ecological importance of plant visiting bats has taken him to the tropical forests of Panama Costa Rica and Australia and to the lush Sonoran Desert of northwest Mexico and Arizona This book tells the story of his fascinating career and recounts his many adventures in the field Fleming weaves autobiographical reflections together with information on the natural history and ecology of bats and describes many other animals and plants he has encountered His book details the stresses and rewards of life in scientific field camps gives portraits of prominent biologists such as Dan Janzen and Peter Raven and traces the development of modern tropical biology A witness to the destruction and development of many of the forests he has visited throughout his career Fleming makes a passionate plea for the conservation of these wild places *The Regime of Anastasio Somoza, 1936-1956* Knut Walter,2000-11-09 To many observers Anastasio Somoza who ruled Nicaragua from 1936 until his assassination in 1956 personified the worst features of a dictator While not dismissing these characteristics Knut Walter argues that the regime was in fact more notable for its achievement of stability economic growth and state building than for

its personalistic and dictatorial features Using a wide range of sources in Nicaraguan archives Walter focuses on institutional and structural developments to explain how Somoza gained and consolidated power According to Walter Somoza preferred to resolve conflicts by political means rather than by outright coercion Specifically he built his government on agreements negotiated with the country's principal political actors labor groups and business organizations Nicaragua's two traditional parties one conservative and the other liberal were included in elections thus giving the appearance of political pluralism Partly as a result the opposition was forced to become increasingly radical says Walter eventually in 1979 Nicaragua produced the only successful revolution in Central America and the first in all of Latin America since Cuba's
