Song For Nettie Johnson:

A Song for Nettie Johnson Gloria Sawai, 2002 As Sawai deftly turns over the stones of these people's lives and reveals the squalor the fear and the unhappiness that lie beneath she also uncovers that most precious of human qualities hope **A Song for Nettie Johnson** Gloria Sawai, 2014-09-16 The Day I Sat On the Sun Deck is a funny philosophical sexy sad and searching story that explores faith the nature of belief with the lightness of a meringue A Song for Nettie Johnson ,2012 In her stunning Governor General's Award winning debut collection of short stories Gloria Sawai examines the heartbreaking lives of people on the margins In her stunning debut collection of short stories Gloria Sawai examines the heartbreaking lives of people on the margins A group of young school students prepares a memorial for the town's deceased doctor at the inadvertent risk of deeply offending his widow A young girl learns important things about herself some of them extremely unpleasant on a storm ravaged Mother's Day weekend A woman on a road trip in search of her erstwhile husband finds instead the one thing she never expected to see again in her lifetime A woman sitting on the deck outside her Moose Jaw home receives an unusual and unexpected gentleman caller And in the title story an outcast and misunderstood woman and her disgraced lover struggle toward what may be their last chance at redemption These and other vividly drawn characters populate the stories collected for the first time in A Song for Nettie Johnson With insight and passion Sawai throws light into dark corners and reveals dark truths Some stories are linked by common characters and settings others are worlds unto themselves But all are told in a rich yet spare style that imbues them with understated foreboding and unease As Sawai deftly turns over the stones of these people's lives and finds the squalor fear and unhappiness that lie beneath she also uncovers that most precious of gems hope Hope that things will not always remain the way they are The realization remains however that there's a lot more to changing things than simply wanting them to change **The Day I Sat With Jesus** Gloria Sawai, 2009-09-01 The Day I Sat On the Sun Deck is a funny philosophical sexy sad and searching story that explores faith the nature of belief with the lightness of a meringue When Jesus visits the hero of Sawai's most successful short story on a Monday morning in September 1972 they drink a glass of wine spill some tea talk about breasts Then his time is up That's what happened to me in Moose Jaw in 1972 she writes It was the main thing that happened to me that year **Canadian Books in Print. Author and Title Index** ,1975 **The Literary History of Saskatchewan** David Carpenter, Kelly-Anne Riess, 2018-10-01 Volume 3 shifts its focus to Regina's literary culture and to the coming generation of younger writers but it continues to examine the best work from Saskatchewan The impact the relevance the illuminations of our best writers work tend to move well beyond the borders of our province This work transcends the regional sources of its inspiration Just as Marilynne Robinson has much to say to Canadians about the disruptions and the graces of family life Dianne Warren has much to say to Americans about the omnipresence of the past the shadows it casts on people's lives in the present Many of our best books are nurtured by the history and the life of this province but they spring into literature roughly in proportion to

Northern Lights Byron Rempel-Burkholder, Dora Dueck, 2010-03-18. Canada is known for its wild and diverse physical geography. But do Canadians have a spiritual geography, an identity uniquely shaped by their land, their history, their people? This first of its kind collection brings together writings from within the Christian heritage to help Canadians explore that question. The forty-six contributors include award-winning literary figures, religious and political leaders and social activists from one end of Canada to the other. Their traditions range from evangelical to Catholic, mainline Protestant to Orthodox, Pentecostal to Mennonite. Some still have family connections beyond Canada's borders; others have ancestors who were here long before Europeans came. These writers do not analyze, define or argue about Christianity in Canada. They simply showcase it through their memoir or poetry, fiction or meditation, mapping into words something of what it means to be Christian in this country. The spiritual landscape they paint is diverse, inspiring and provocative. It's a colourful dance of words, a wonderful Canadian celebration.

In wide-ranging and innovative criticism, Stan Persky examines international non-fiction and fiction to engage with both the triumphs and

tensions of reading and writing today Evaluating works by established authors Philip Roth Orhan Pamuk J M Coetzee and Jos Saramago as well as emerging writers like Naomi Klein Javier Cercas and Chimamanda Adichie Persky also showcases a remarkable group of reporters Steve Coll Dexter Filkins and Rajiv Chandrasekaran who have written essential books about global issues An illuminating and accessible work about the present age Reading the 21st Century introduces new ways of thinking about the world s most significant cultural political and moral problems *Sparrow Road* Sheila
