The Battle Of Franklin:

The Battle of Franklin A. S. Peterson, 2017-08-25 On November 30th 1864 more than 40 000 Union and Confederate troops converged on Franklin Tennessee and fought one of the bloodiest battles of the Civil War Said one who saw it It was as if the devil had full possession of the earth The events of that battle have passed not only into history but into legend Names like Tod Carter and John Bell Hood have found their ways into our poems and songs and folk tales But what do these stories have to say to us today Through the power of music and drama this original work takes us back in time to witness the tragic struggle between father and son between master and slave between North and South It s a tale of a broken family and a broken nation But in the end the story of the Battle of Franklin is about more than mere history it s about the conflict in all of us and our hope of restoration **The Battle of Franklin, Tennessee, November 30, 1864** Jacob Dolson Cox, 1897

The Battle of Franklin, November 30, 1864 Robert Webb Banks, 1908 The Battle of Franklin, Tennessee John K. Shellenberger, 2017-03-26 We then began to fortify On the retreat that morning we had passed an abandoned wagon loaded with intrenching tools and by order each company had taken two spades from the wagon the men relieving each other in carrying them These spades were the only tools we had to work with The ground we occupied was a large old cottonfield not under cultivation that year and had been frequently camped on by other troops who had destroyed all the fences and other materials ordinarily found so handy in building hasty breastworks so that on this occasion our only resource was the earth thrown with the few spades we had Under the stimulus afforded by the sight of the enemy in our front preparing for attack the men eagerly relieved each other in handling the spades As soon as a man working showed the least sign of fatigue a comrade would snatch the spade out of his hands and ply it with desperate energy Yet in spite of our utmost exertions when the attack came we had only succeeded in throwing up a slight embankment which was high enough to give good protection against musket balls to the man squatting down in the ditch from which the earth had been thrown but on the outside where there was no ditch it was so low that a battle line could march over it without halting The ground ascended with an easy grade from our position back to Cox s line and all the intervening space as well as a wide expanse to our left was as bare as a floor of any obstruction In our front was a wide valley extending to the Winsted Hills *The Battle of Franklin, Tennessee* John K.
