Wilbur, 2022-10-13 Excerpt Once a little cub bear was caught in a big log trap and taken on a train to a circus He lived in the circus a long long while and every day a great many people came to see the bear and the lions and the tigers and the leopards and the elephants and the camels and the other animals Every night the animals would all be put in the wagons made for them then the wagons would be rolled on the flat cars of a railroad train The train would go all night to another town where a great many people would come to see the animals and the men and women in the circus The Cub Bear saw a great many wonderful and strange things while he was in the circus and while traveling on the trains Once he crossed the ocean in a great ship and came back again in another ship The Bear's Healing Touch Bianca D'Arc, 2019-05-30 Sven had given up on love but in the midst of a crisis it showed up at his door Sirena has been gravely injured by an evil sea monster and put into the care of Grizzly Cove's only doctor Sven is a retired soldier like most of the other guys in Grizzly Cove but he dedicated his life to medicine and helping the new town get on its feet He doesn't think he'll ever find a mate but he's content to let the others settle down and find happiness while he tends to them all Until they send a gravely injured mermaid his way Sirena gets under his skin She brings out all sorts of protective instincts and desires She infuriates him and beguiles

him in equal measure but most of all she worries him She s not getting any better despite his best efforts He calls in magical reinforcements and the best experts he can find to try to help her but the evil creature still has its hooks in her and it won t let go without a fight
