The Best of J. Vernon McGee J. Vernon McGee, 2006-10-29 A collection of some of Dr J Vernon McGee's finest messages gleaned from over 40 years of radio broadcasting A rich feast of Bible centered messages to feed the soul **J. Vernon McGee on Prayer** J. Vernon McGee, 2004-06-29 In this complete treasury of his best sermons on prayer the world's most beloved Bible teacher Dr J Vernon McGee reveals the truth about communicating with God In his own warm inimitable style Dr McGee examines the role of prayer in the life of every believer Dr McGee uses biblical exposition to explore why he considers prayer the Christian's greatest neglected resource the prayer styles of great men of faith including Daniel Abraham Nehemiah the real Lord's Prayer and its meaning for believers today times when prayer does not seem to have an effect the secret to prayers of power the proper posture of prayer how Jesus intended that His followers pray **On Prophecy** J. Vernon McGee, 1994-04 Here at last is a complete treasury of the late J Vernon McGee's best sermons on prophecy gathered together in a single eye opening volume for Christian readers everywhere With the down to earth homespun style that endeared him to millions of readers and radio listeners Dr McGee offers a clear spirit building tour through all the most crucial aspects of end times Scripture Speaking to us like a warm and trusted friend Dr McGee demystifies biblical prophecy showing exactly what will unfold in the Final Days and what role every Christian must play **John** I J. Vernon McGee, 1995-05-03 For Ingest Only Data needs to be cleaned up for all products being loaded **1 John** J. Vernon McGee, 1996-08-07 Radio messages from J Vernon McGee delighted and enthralled listeners for years with simple straightforward language and clear understanding of the Scripture Now enjoy his personable yet scholarly style in a 60 volume set of commentaries that takes you from Genesis to Revelation with new understanding and insight Each volume includes introductory sections detailed outlines and a thorough paragraph by paragraph discussion of the text A great choice for pastors and even better choice for the average Bible reader and student Very affordable in a size that can go anywhere it's available as a complete 60 volume series in Old Testament or New Testament sets or individually **Job** J. Vernon McGee, 1995-12-18 Enjoy J Vernon McGee's personable yet scholarly style in a 60 volume set of commentaries that takes you from Genesis to Revelation with new understanding and insight A great choice for pastors the average Bible reader and students **The Layman's Christology of the Pentateuch** Pastor David L. Carpenter, Jr., 2014-04-10 The book was written in light of the many challenges I faced as a student in seminary I found it quite difficult to find books on simple Christology Not only were the numbers of available Christological books few but when I did find books they represented very little Christology and referenced much theology and unnecessary reading What I needed was a resource with reference to help me out and not a scholarly work that embedded denominational values I needed a book that condensed many different Christological viewpoints into an easy to read resource that was practical applicable and with cross reference information That is why I penned this book The book is an assimilation of my Christological studies with secondary resources Therefore

the book is short rich in information and short in explanation intentionally done as a reference resource The book is intended to stimulate the undergraduate and graduate student The book has been very useful for some of my friends regarding Bible study and Sunday morning sermons The resource is well displayed in the table of contents and easy to understand The book gives examples of Christological studies throughout the Pentateuch The book is by no means an exhaustive resource but one that lifts the fingerprints of Christ's presence in the OT while still allowing for the reader to make their own Christological discoveries
