The Bhagavad Gita Translation And Commentary:

The Illustrated Bhagavad Gita Ranchor Prime,2003 The Bhagavad Gita is the single greatest theological and philosophical text to come out of ancient India It addresses life s most difficult dilemmas such as how to deal with adversity and how to find peace of mind while living in a tumultuous world This brand new translation into English is unique in that it complements the text s ancient wisdom with inspirational illustrations Translator Ranchor Prime has transformed an often obscure original text into language that retains the Bhagavad Gita s poetry yet is clear and easy to understand for today s readers His commentaries explain concepts of Hindu philosophy for instance karma and reincarnation which are fundamental to the reader s overall understanding The Bhagavad Gita is arranged as a conversation consisting of questions and answers between God or Krishna and the human soul represented by Arjuna This translation presents all 700 verses of the original text divided into 18 chapters and taking the form of 140 daily meditations The book also includes a glossary of Hindu terms and an index Approximately 120 beautiful color illustrations capture the spirit of this holy text

The Bhagavad-Gita Veeraswamy Krishnaraj,2002 Gita teaches man the essentials of living in this world and beyond Your soul is eternal and indestructible the body beautiful is only a garment beings and universe arose from an act of sacrifice by God the burden of samsara cycle of births and rebirths can be shed by devotion to God man by his conduct creates his own dharma and karma which control the present and the future plants animals and men have souls some sentient and some insentient our roots are in heaven doing one s dharma duty by itself is yoga liberation is the only goal of man there are many ways and means to attain God and nobody is excluded

Maharish Mahesh Yogi on the Bhagavad-Gita Maharishi Mahesh Yogi,Mahesh Yogi (Maharishi.),1990 A translation and commentary of the central Hindu religious classic The Bhagavad Gita

Godsong Amit Majmudar,2018-03-20 A fresh strikingly immediate and elegant verse translation of the classic with an introduction and helpful guides to each section by the rising American poet Born in the United States into a secularized Hindu family Amit Majmudar puzzled over the many religious traditions on offer and found that the Bhagavad Gita had much to teach him with its song of multiplicities Chief among them is that its own assertions aren t as important as the relationships between its characters The Gita imagined a relationship in which the soul and God are equals it is he believes the greatest poem of friendship in any language His verse translation captures the many tones and strategies Krishna uses with Arjuna strict and berating detached and philosophical tender and personable Listening guides to each section follow the main text and expand in accessible terms on the text and what is happening between the lines Godsong is an instant classic in the field from a poet of skill fine intellect and perhaps most important devotion
