The Bible For Today's Church:

The Bible's Authority in Today's Church Frederick Houk Borsch, 1999-08-01 How important is the Bible in today's church? This book provides the clear answer that the Bible is fundamental to the church's vitality and continuance. Ignoring the Bible or limiting its importance in the church is the precursor to spiritual death and communal dissolution. Here then is a lively study debate and conversation particularly within the Episcopal Church in the United States concerning the authority and function of the Bible in today's church. A helpful leader's guide has been added to assist those who would use the book in adult study groups. The Bible for Today's Church Robert A. Bennett, Otis Carl Edwards, 1979 *The Mission of Today's Church* R. Stanton Norman, 2007-03-01

The Mission of Today's Church features twelve essays written by Baptist leaders addressing what it means to be a Christian today, how believers best work together, and what their future holds. **Sound Doctrine For Today's Christians; What the bible says** Rev. Preston N. Jr. Tolliver, 2009-08-17 *Sound Doctrine for Today's Christians* addresses a multitude of today's issues from a scriptural standpoint. The author relies upon the scriptures to provide the commentary as chapter after chapter of Biblical clarity is given to provide sound doctrine for the reader. The end result is a forthright scriptural presentation in complete thoughts as referenced from the King James Version exclusively of the Bible. There are forty chapters presented that cover a gamut of topics from the reasons for reading the Bible to faith issues, differentiation of Christianity in terms of denominations, and from other religions, personal life choices, and the choices of a nation. Profound statement after statement is presented with the irrefutable clarity of the scriptural basis provided for each statement. This book provides a basis for Biblical doctrine examination and well as an awesome evangelistic thrust.

God's Word for Today's World John Stott, 2015-01-14 Nothing is more important than hearing, understanding, and obeying God's Word. Our lives and local churches depend on this for their life, health, and growth. John Stott is well known worldwide for the commitment he had to the Bible both in his preaching and in his living. In this persuasive book, Stott concisely demonstrates the power, authority, and relevance of the Bible for every Christian in every culture and generation. What is the purpose of God's Word? How does it point us to Christ? What is its relationship to the Holy Spirit? How does it shape the church? And what does it mean for Christian discipleship? The author answers these questions with simplicity and clarity, urging us to hear and obey God's Word in today's world. *The Bible of Today...* John White Chadwick, 1878

Malfunctioning Secularized Ministries in Today's Churches George D. Cutler, 2010-06-30 *Malfunctioning Secularized Ministries in Today's Churches* The information herein decries today's modern churches ministering to the trendiness of prioritizing physicality over spirituality. Factually stated, substantial fractions of today's church ministries unashamedly cater to whatever appeals the most to the masses. This entails resonating with what is secular and/or material rather than spiritual and/or consecrated. Here the challenge offered for evaluation is: what are more significant temporary earthly possessions or eternally Heavenly inheritances? Scriptural assessments document the instructions and directives specifically conveyed for

church ministries functioning and operating as contrasted with the popular accepted practices so prevailingly displayed in the more prominently recognized religious institutions Herein a scriptural appeal is made for simply following the dictates of GOD S WORD About the Author George D Cutler was born in Tampa Florida in 1944 He received a BS Degree in Architectural Engineering from Tennessee State University Nashville Tennessee in 1967 He has tenured more than 42 years of ministry in Detroit Michigan including 12 years where he currently serves as senior pastor of the Grace Gospel Church in Ferndale Michigan Pastor Cutler briefly matriculated at the Biblion Seminary Silverton Oregon including a number of years of correspondences with this institution "Conception, Reception, and the Spirit" J Gordon McConville, Lloyd K Pietersen, 2016-07-28 A number of distinguished biblical scholars and theologians come together in this volume to honour the work of Andrew T Lincoln Conception Reception and the Spirit reflects Andrew Lincoln s lifelong interest in Christian origins the reception of biblical texts in believing and scholarly communities and the embodiment of the Gospel in believing communities made possible by the Spirit Here scholars converse with Lincoln s work engaging with his monographs Born of a Virgin and Truth on Trial These essays examine a wide range of topics such as N T Wright s exploration of demonic politics in John and the significance of wine to the Holy Spirit in Ephesians by Lloyd K Pietersen These theological interpretations go so far as to question the foundations that make New Testament theology what it is today with experts like Loveday Alexander and John Goldingay confronting sexuality spirituality ethics and memory in Lincoln s work with sensitivity and nuance

Implementing Fivefold Churches John Devries, 2025-01-28 IMPLEMENTING FIVEFOLD CHURCHES The household of God is built on the foundation of APOSTLES and PROPHETS Ephesians 2 19 20 Only man has made change to this and not God When Christ ascended to heaven He gave five differing ministry callings Ephesians 4 8 11 Man changed this without any scriptural text or basis Our Lord set His ministry government in place 1 Corinthians 12 18 28 Only man has changed this All churches that do not have a multiple scripturally described eldership are out of order Titus 1 5 Our Lord described a scriptural holy church This must be restored to have what the Book of Acts depicts with supernatural gifts miracles and prophetic revelation That is a FIVEFOLD CHURCH The author has ministered in several countries but especially in the Philippines with church planting conferences writing books and doctrinal manuals His life is dedicated to restore scriptural Fivefold churches

The Errors and Wrong Opinions in the Churches Today Alexander Okenwa, 2020-02-14 Ever since the dawn of time on earth human beings have been in the dark spiritually intellectually educationally and relationally The only cause for these general human handicaps on earth is our general ignorance of the Bible the only book with accurate records on nature existence ever written and given to all human beings on earth There is no doubt that the Bible alone holds the truths to all the lies in the world the solutions to all the problems in the world and the answers to all the questions that the whole world has been asking since the inception of time on earth The hour has come for the seeming encryptions of the Bible that have resisted for ages past all human efforts toward proper understanding to be uncovered This means then that all

these lies that the world has had which has locked itself up with these many unsolved problems and unanswered questions will now be gone forever Thanks be to God who has come down to earth to explain for us human beings the book the Bible whose one and only Author is He In that case both the ever unsolved problems and the unanswered questions of all humanity will receive the solutions and the answers that it has longed for as these lies which are the errors and wrong opinions of the churches are being discovered and corrected Consequently we can then live up to God's mandate of subduing with correct knowledge the earth that is presently under the sway of Satan and his spirit allies and thus rescuing the world from the societal confusions that it is presently in today These are the goals this book and others in the offing are meant to achieve for us henceforth
