

The Hamlet Of Edwin Booth

William Winter

The Hamlet Of Edwin Booth:

The Hamlet of Edwin Booth Charles Harlen Shattuck, 1969 Booth to a majority of us is Hamlet stated a reviewer in 1890 Thousands of playgoers agreed and only regretted that Shakespeare himself could not see Booth perform Booth's Hamlet became a national institution a legend He was for America the final major starring tragedian of his kind who brought two centuries of tradition to a culmination and end Charles Shattuck here presents the complete life of the Hamlet role as Booth played it from 1852 when his famous father told him he looked like Hamlet to his weary farewell matinee in Brooklyn in 1891 He relates Booth's attempt to find his acting style and establish himself as a star and observes the personal and intellectual forces which shaped his gentle and genteel conception of Hamlet The author details the emergence of Hamlet as Booth's acknowledged masterwork examines his definitive production of the play at his own theater in 1870 and traces the fortunes of Booth's Hamlet as it developed matured and finally declined Whenever Booth's critics defined his Hamlet with especial acuteness Shattuck gives them room to speak and Booth himself often speaks from those who wish to realize Booth's Hamlet in the utmost possible immediacy Shattuck presents Charles Clarke's factual and interpretive record of Booth's 1870 performance scene by scene word by word every gesture expression and vocal nuance This engrossing reconstruction helps us see Booth as Hamlet and almost hear him Booth's was not the psychological Hamlet of the twentieth century The essence of his interpretation was Hamlet's resoluteness in minor matters and irresoluteness in major ones Booth conceived of him as a man of very strong intellect and very weak will but at no point insane His intention with Hamlet was not to create mystery but to dispel it to make the play crystal clear to every hearer There was room in it for heavenly and hellish mystery but not for the mystery of abnormal behavior for the emergence of irrational drives from the subconscious Taken as a whole this volume is a fascinating study of the tastes and culture of nineteenth century America as well as a revelation of the art of a man once considered unquestionably the greatest actor upon the American stage Charles H Shattuck *Hamlet* William Shakespeare, 1866 **Edwin Booth's Prompt Book of Hamlet** William Shakespeare, 1906 *Hamlet* William Shakespeare, 1866 *Shakespeare's Tragedy of Hamlet* William Shakespeare, 1897 **Shakespeare's Tragedy of Hamlet** William Shakespeare, William Winter, Edwin Booth, 1878 *Edwin Booth's Hamlet* Charlotte Croman, 1963 **Life and Art of Edwin Booth** William Winter, 1894 **The Hamlet of Edwin Booth** Abner Otis Kellogg, 1872 *Boston Theatre ... Second Week of Edwin Booth as Hamlet ...* Boston Theatre (Washington Street, Boston, Mass.), Edwin Booth, 1866 **Edwin Booth** Edwin Booth, Edwin Booth Grossman, 1894 *Hamlet* William 1564-1616 Shakespeare, 2021-09-10 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the
