Ball Cap Nation Jim Lilliefors, 2009-07-01 As the country grows increasingly diverse and complicated Americans seek and occasionally find a common thread to unite them And as Jim Lilliefors reveals in his new book that common thread is what the baseball cap is made of indeed what has transformed it into America's National Hat As fads go it is no longer even a fad but a part of the national identity that for better or worse is a symbol of America It feeds an illusion that Americans cherish that despite their differences and no matter what position they play when wearing a baseball cap they're all part of the same team Exploring every aspect of caps and their culture including the history manufacturing and evolution of baseball caps collecting and caring for caps cap etiquette and even cap urban legends and packed with photos throughout Ball Cap Nation is a delightful look at a uniquely American phenomenon
