The Kingdom of God Nicholas Perrin, 2019-02-26 What does the Bible say about God's Kingdom and what Kingdom living looks like In the last hundred and fifty years the concept of the kingdom of God has emerged as one of the most important topics in theology New Testament studies and the life of the church In *The Kingdom of God* Nicholas Perrin explores this dominant biblical metaphor one that is paradoxically the meta center and the mystery in Jesus' proclamation After surveying interpretations by figures from Ritschl to N. T. Wright Perrin examines questions such as What exactly is the kingdom of God What do different Christian traditions mean when they talk about the Kingdom How should we interpret Jesus' teachings about the Kingdom What does it mean for the people of God and what does it mean for how they live in the world Perrin contends that the kingdom is inaugurated in Jesus' earthly ministry but its final development awaits later events in history In between the times however the people of God are called to participate in the reign of God by living out the distinctly kingdom ethic through hope forgiveness love and prayer _____ Part of the Biblical Theology for Life series this practical and robust book will help you ground your understanding of the Kingdom of God on the solid foundation of biblical exegesis and reflection

power of the gospel and its implications for Christian life and mission *The Kingdom of God* Francis Breisch,1972 *A Biblical-Theological Introduction to the Old Testament* Miles V. Van Pelt,2016-05-31 The Old Testament is not just a collection of disparate stories each with its own meaning and moral lessons Rather it s one cohesive story tied together by the good news about Israel s coming Messiah promised from the beginning Covering each book in the Old Testament this volume invites readers to teach the Bible from a Reformed covenantal and redemptive historical perspective Featuring contributions from twelve respected evangelical scholars this gospel centered introduction to the Old Testament will help anyone who teaches or studies Scripture to better see the initial outworking of God s plan to redeem the world through Jesus Christ **Preaching the Whole Bible as Christian Scripture** Graeme Goldsworthy,2000-06-26 While strong gospel centered preaching abounds many Christian pastors and lay preachers find it difficult to preach meaningfully from the Old Testament This practical handbook offers help Graeme Goldsworthy teaches the basics of preaching the whole Bible in a consistently Christ centered way Goldsworthy first examines the Bible biblical theology and preaching and shows how they relate in the preparation of Christ centered sermons He then applies the biblical theological method to the various types of literature found in the Bible drawing out their contributions to expository preaching focused on the person and work of Christ Clear complete and immediately applicable this volume will become a fundamental text for teachers pastors and students preparing for ministry **The Kingdom of God Is among You** Gordon D. Fee,Cherith Fee Nordling,2025-03-17 In this exciting volume a renowned New Testament scholar provides his lectures on New Testament theology and provides us a window on his approach on a variety of issues He describes the task as follows New Testament theology is the art of giving coherence to the collective witness of the twenty seven New Testament documents as they attest to the Christian faith while not sacrificing the historical particularity of any one text or author within the canon and to do this as clearly as possible and with as much consistency and unity as possible New Testament theology deals with all the New Testament We must resist the tendency to find a canon within the canon or to neglect some lesser figures in the New Testament canon New Testament theology is first of all a descriptive task i e we must first try to describe what is there But given our stance toward Scripture what we describe also becomes prescriptive or normative We must never forget that the writings of the New Testament are ad hoc documents written in each and every case to speak to a specific need Thus rather than careful systematic presentations of theology such as in a book or a lecture the earliest Christian theology is worked out in the marketplace as it were Therefore we must be careful not to force the New Testament writers to answer all of our questions nor even to use our logic or thought forms excerpted from chapter 1 *The Kingdom of God* Christopher W. Morgan,Robert A. Peterson,2012-11-30 The kingdom of God is a very large biblical category indeed Accordingly a comprehensive understanding of the kingdom would illuminate many aspects of theology With this in mind Bruce Waltke Robert Yarbrough Gerald Bray Clinton Arnold Gregg Allison Stephen Nichols and Anthony Bradley have collaborated to articulate a full view of

the kingdom of God across multiple disciplines One of the most important books on the kingdom since G E Ladd this volume offers a robust theology and is corroborated by the very series in which it stands Fourth in the noted Theology in Community series The Kingdom of God establishes the significance of the kingdom from the perspectives of biblical theology systematic theology history pastoral application missiology and cultural analysis Part of the Theology in Community series God's Kingdom and God's Son Robert Rowe,2018-12-10 How is the kingdom of God related to Messianic kingship or divine sonship Starting from what he terms a two tier kingship in the Psalms Robert Rowe explores the linkage of these terms in Mark's gospel The linked concepts God's kingship and Davidic Messianic kingship are traced from the Psalms and Isaiah 40 66 through the Dead Sea Scrolls and other inter testamental documents into Mark's gospel Mark's characterization of Jesus as Messiah is shown to centre around four royal Psalms 2 22 110 118 Contributing to the continuing study of the Old Testament in the New Rowe argues that the concepts of God's kingdom and the Messiah are inherently closely related This has importance both for the study of the historical Jesus and for Mark's presentation of God and Jesus in his gospel
