THE KREMLIN CONTROL

The Kremlin Control

Olga Oliker, Tanya Charlick-Paley

The Kremlin Control:

The Kremlin's Nuclear Sword Steven J. Zaloga, 2014-05-27 The prevailing Western view of Russia's Cold War strategic nuclear weapons policy is that it resulted from a two part interplay between the leaders of the Communist Party and the military Steven J Zaloga has found that a third contributor the Russian defense industry also played a vital role Drawing from elusive Russian source material and interviews with many proud Russian and Ukrainian engineers Zaloga presents a definitive account of Russia's strategic forces who built them and why The book is the first in English to refer to the weapons by their actual Soviet names providing the bedrock for future works Helpful appendices list U S NATO and other

designations and the illustrations provide clear visual references **The Kremlin's Noose** Amy Knight, 2024-06-06 A Guardian Book of the Day By telling the story of Putin and Berezovsky a sort of modern reincarnation of Stalin and Trotsky Knight shines a penetrating light on post communist Russia In *The Kremlin's Noose* Amy Knight tells the riveting story of Vladimir Putin and the oligarch Boris Berezovsky who forged a relationship in the early years of the Yeltsin era Berezovsky later played a crucial role in Putin's rise to the Russian presidency in March 2000 When Putin began dismantling Boris Yeltsin's democratic reforms Berezovsky came into conflict with the new Russian leader by reproaching him publicly Their relationship quickly disintegrated into a bitter feud played out against the backdrop of billion dollar financial deals Kremlin in fighting and international politics Dubbed the Godfather of the Kremlin by the slain Russian American journalist Paul Klebnikov Berezovsky was a successful businessman and media mogul who had an outsized role in Russia after 1991 Worth a reported 3 billion by 1997 Berezovsky engineered the re election of Yeltsin as president in 1996 and negotiated an end to the 1995-96 Chechen war Despite his own wealth power and influence once he became Putin's enemy Berezovsky was forced into exile in Britain where he waged a determined campaign to topple Putin Kremlin authorities responded with bogus criminal charges and demanded Berezovsky's extradition Death threats soon followed In March 2013 after losing a British court battle with another Russian oligarch Berezovsky was found dead at his ex wife's mansion outside London Whether he died from suicide or murder remains a mystery *The Kremlin's Noose* sheds crucial new light on the Kremlin's volatile politics under Yeltsin and Putin helping us understand why democracy in Russia failed so badly Knight provides a fascinating narrative of Putin's rise to power and his authoritarian rule told through the prism of his relationship with Russia's once most powerful oligarch Boris Berezovsky The Politics of Sub-National Authoritarianism in Russia Cameron Ross, 2016-02-24 By

the end of the 2000s Russia had become an increasingly authoritarian state which was characterised by the following features outrageously unfair and fraudulent elections the existence of weak and impotent political parties a heavily censored often self censored media weak rubber stamping legislatures at the national and sub national levels politically subordinated courts the arbitrary use of the economic powers of the state and widespread corruption However this picture would be incomplete without taking into account the sub national dimension of these subversive institutions and practices across the

regions of the Russian Federation After the collapse of the Soviet Union sub national political developments in Russia became highly diversified and the political map of Russia s regions became multi faceted The period of 2000s demonstrated a drive on the part of the Kremlin to re centralise politics and governance to the demise of newly emerging democratic institutions at both the national and sub national levels Yet federalism and regionalism remain key elements of the research agenda in Russian politics and the overall political map of Russia s regions is far from being monotonic Rather it is similar to a complex multi piece puzzle which can only be put together through skilful crafting The 12 chapters in this collection are oriented towards the generation of more theoretically and empirically solid inferences and provide critical evaluations of the multiple deficiencies in Russia s sub national authoritarianism including principal agent problems in the relations between the layers of the power vertical unresolved issues of regime legitimacy that have resulted from manipulative electoral practices and the inefficient performance of regional and local governments The volume brings together a team of international experts on Russian regional politics which includes top scholars from Britain Canada Russia and the USA

Rockin' the Kremlin
David Junk, 2024-07-02 Read the true story of Universal Music Russia s first CEO and his quest to bring Western popular music to post Soviet Russia in an account that Publishers Weekly calls an exciting and colorful look at a dynamic period in Russia s cultural history and Library Journal calls an absorbing illustration of the mutuality of music and politics When the Soviet Union collapsed in 1991 Russia opened its borders and Russian audiences were hungry for Western popular music and the values it espoused David Junk was one of the first idealistic young Americans to seize this opportunity Rockin the Kremlin is the thrilling true story of how David became the first CEO of Universal Music Russia and built impactful cultural bridges with music but also how that would all shatter with the rise of Vladimir Putin and invasions of Ukraine There was no proper music industry in the USSR and creating a modern music industry in Russia would be far more challenging than anyone had anticipated David assembled a team of young and talented Russians and they navigated a terrain filled with political chaos organized crime powerful oligarchs bombings and violence with cultural clashes tinting many aspects They captivated millions by bringing superstar acts to Russia for the first time ever including Metallica Mariah Carey Sting Eminem and Enrique Iglesias while developing local talent such as Alsou and t A T u Russia s greatest selling pop act of all time Eventually David would even build a music industry in Ukraine and other countries in Eastern Europe While Russia s descent into authoritarianism and two invasions of Ukraine have tarnished this the industry that David shepherded has birthed a newer generation of Russian musicians who are speaking out against the war and Putin Filled with unique insights as well as gripping and sometimes humorous stories this book reveals how it all happened

Assessing Russia's Decline Olga Olikier, Tanya Charlick-Paley, 2002-11-26 What challenges does today s Russia pose for the United States and the U S Air Force If certain economic military social and political negative trends in Russia continue they may create a new set of dangers that might prove more real and therefore more frightening than the far off specter of Russian attack ever was In a

number of scenarios the U S Air Force is certain to be called upon for transportation and perhaps for various military missions in a very demanding environment

Global Finance, Local Control Igor O. Logvinenko, 2021-10-15 Exploring Russia's reentry into global capital markets at the dawn of the twenty first century Global Finance Local Control shows how economic integration became deeply entangled with a bare knuckled struggle for control over the vestiges of the Soviet empire Igor Logvinenko reveals how the post communist Russian economy became a full fledged participant in the international financial sector without significantly improving the local rule of law By the end of Vladimir Putin's second presidential term Russia was more integrated into the global financial system than at any point in the past However the country's longstanding deficiencies including widespread corruption administration of justice and an increasingly overbearing state continued unabated Scrutinizing stock market restrictions on foreign ownership during the first fifteen years of Russia's economic transition Logvinenko concludes that financial internationalization allowed local elites to raise capital from foreign investors while maintaining control over local assets They legitimized their wealth using Western institutions but they did so on their terms Global Finance Local Control delivers a somber lesson about the integration of emerging markets without strong domestic rule of law protections financial internationalization entrenches oligarchic capitalism and strengthens authoritarian regimes

After Putin's Russia Stephen K. Wegren, Dale R. Herspring, 2009-08-16 A fifth edition of this book is now available Now in a thoroughly revised expanded and updated edition this classic text provides the most authoritative and current analysis available of contemporary Russia and the challenges facing Vladimir Putin and his successor Dmitri Medvedev Leading scholars offer a full scale reassessment of Putin's leadership exploring Russia's ongoing daunting domestic and international concerns Evaluating the regime's continued efforts to rebuild a country once on the verge of collapse they consider a comprehensive array of economic political and social issues along with Putin himself whose popularity has remained high despite his authoritarian approach The contributors conclude that Putin's influence will continue to be felt for years to come not only because he remains powerful in his new post as prime minister but because he laid the groundwork for dealing with the many problems still confronting Russia Only by understanding these challenges and Putin's previous efforts to deal with them will it be possible to understand the rhetoric and actions of his successor Clearly written and organized this text is an indispensable guide for anyone wanting to understand Russia today Contributions by Gregory Gleason Timothy Heleniak Kathryn Hendley Dale R. Herspring Maria Lipman Michael McFaul Nikolai Petrov Thomas F Remington Peter Rutland Richard Sakwa Louise Shelley Darrell Slider Andrei P Tsygankov and Stephen K Wegren

The Authoritarian International Stephen G. F. Hall, 2023-05-25 Stephen Hall argues that democracies can preserve their norms and values from increasing attacks and backsliding by better understanding how authoritarian regimes learn He focuses on the post Soviet region investigating two established authoritarian regimes Belarus and Russia and two hybrid regimes Moldova and Ukraine with the aim of explaining the

concept of authoritarian learning and revealing the practices that are developed and the sources of that learning Hall finds clear signs of collaboration between countries in developing best survival practices between authoritarian minded elites and demonstrates that learning does not just occur between states rather it can happen at the intra state level with elites learning lessons from previous regimes in their own countries He highlights the horizontal nature of this learning with authoritarian minded elites developing methods from a range of sources to ascertain the best practices for survival Post Soviet regional organisations are crucial for the development and sharing of these survival practices as they provide learning rooms and training exercises

The Routledge Companion to Journalism Ethics Lada Trifonova Price, Karen Sanders, Wendy N. Wyatt, 2021-08-24 This volume provides a comprehensive discussion of enduring and emerging challenges to ethical journalism worldwide The collection highlights journalism practice that makes a positive contribution to people's lives investigates the link between institutional power and ethical practices in journalism and explores the relationship between ethical standards and journalistic practice Chapters in the volume represent three key commitments 1 ensuring practice informed by theory 2 providing professional guidance to journalists and 3 offering an expanded worldview that examines journalism ethics beyond traditional boundaries and borders With input from over 60 expert contributors it offers a global perspective on journalism ethics and embraces ideas from well known and emerging journalism scholars and practitioners from around the world The Routledge Companion to Journalism Ethics serves as a one stop shop for journalism ethics scholars and students as well as industry practitioners and experts Chapter 45 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

Politics Russia Catherine Danks, 2014-01-14 Politics Russia provides the most comprehensive accessible and up to date introduction to all aspects of the political development of Russia in the post communist era Writing with the undergraduate student specifically in mind Danks' fluent style and masterly grasp of complex material will make this an indispensable guide for many years to come Divided into five sections Politics Russia maps a clear path towards an understanding of Russia and its politics in the twenty first century In Part One the emergence of contemporary Russia is put into context by a consideration of the end of the USSR and the move towards democratization under Gorbachev Part Two provides a clear sighted and stimulating overview of the nature of the executive and the legislature in contemporary Russia Part Three examines civil society the role of the media and the representative process Part Four is focussed on the policy process from foreign and defence policies to the development of domestic social policies from the provision of healthcare to education Part Five the final provides an overall consideration the contemporary state of Russia examining the development from Yeltsin to Putin to Medvedev and considers the possible futures of the region The book is supported by a host of pedagogical features including Annotated further reading lists Definitions of key political terms Short biographies of key figures
