The Last Days Types And Shadows From The Bible And The Of Mormon:

The Last Days Avraham Gileadi, 1991-01-01 *The Last Days* Avraham Gileadi, 1991-01-01 Michael Craig Campbell, 2005-08-01 Great towers have been destroyed Our nuclear power plants remain vulnerable to attack Many questions trouble the population of the world Did the Bible predict 21st Century terrorism Did World War III begin September 11 2001 Do we live in the chaotic last days described by ancient prophets Are we sufficiently prepared Will good prevail over evil Are the dangers of the last days both physical and spiritual The Bible contains alarming news But all the biblical shock and awe is secondary to learning the purpose of life Coincidences between scripture and current events provide clues to the catastrophic signs that will precede the 1000 year Reign of Christ God's teachings Satan's opposition terrorism prophecies both Bush Administrations nuclear war and fallout terrible disasters the Gulf and Iraq Wars World War III pornography the Abu Ghraib prison scandal are all fitting together to complete and reveal a great puzzle Eternal consequences are of great importance The scriptures counsel how to cope with latter day challenges Commandments can't be ignored without suffering consequences Procrastination is a thief Apathy towards Jesus Christ poisons the eternal soul So study ponder and pray to unlock the secrets of scripture Then chart your eternal future **Millennium, Messiahs, and Mayhem** Thomas Robbins, Susan J. Palmer, 2013-10-28 As we approach the Millennium apocalyptic expectations are rising in North America and throughout the world Beyond the symbolic aura of the millennium this excitation is fed by currents of unsettling social and cultural change The millennial myth ingrained in American culture is continually generating new movements which draw upon the myth and also reshape and reconstruct it Millennium Messiahs and Mayhem examines many types of apocalypticism such as economic racist environmental feminist as well as those erupting from established churches Many of these movements are volatile and potentially explosive Millennium Messiahs and Mayhem brings together scholars of apocalyptic and millennial groups to explore aspects of the contemporary apocalyptic fervor in all original contributions Opening with a discussion of various theories of apocalypticism the editors then analyze how millennialist movements have gained ground in largely secular societal circles Section three discusses the links between apocalypticism and established churches while the final part of the book looks at examples of violence and confrontation from Waco to Solar Temple to the Aum Shinri Kyo subway disaster in Japan Contributors James Aho Dick Anthony Robert Balch Michael Barkun John Bozeman David Bromley Michael Cuneo John Dimitrovich John Hall Massimo Introvigne Philip Lamy Ronald Lawson Martha Lee Barbara Lynn Mahnke Vanessa Morrison Mark Mullins Ansun Shupe Susan Palmer Thomas Robbins Philip Schuyler and Catherine Wessinger **Mormon Studies** Ronald Helfrich, Jr., 2021-12-30 Mormonism arose in early 19th century New York and has fired the imaginations of its devotees critics and students ever since Some intellectuals and academics read Mormonism as the product of economic change wrought by the Erie Canal in the Burned over District of western New York State and upper north eastern Ohio Others read Mormonism as an authoritarian reaction to Jacksonian

democracy Finally some including most of those who became Mormons in the early 19th century and most of those who are believing Mormons today read Mormonism as the intervention of God in human history This book engages with Mormon Studies from its beginnings in the early nineteenth century to the end of the 20th century It covers those who fought over Mormonism s truth or falsity on those who tried to understand Mormonism as a religious and sociological phenomenon and on those who explored the history of Mormonism from a more dispassionate perspective It concludes with an exploration of the culture war that erupted as Mormon Studies professionalized particularly after the 1960s All Abraham's Children Armand L. Mauss,2003-03-05 Employing a broad intellectual historical analysis to identify shifts in LDS behavior over time All Abraham s Children constitutes an important contribution to Mormon historiography BOOK JACKET *World War III!* Michael Campbell,2008-04-08 The Book of Revelations describes the events leading up to the Second Coming of Jesus Christ The Apostle John describes the 21st Century while giving us essential information Was 9 11 the beginning of World War III Are both Bush administrations playing key roles in the incredible drama of the last days Is President George W Bush a hero or a villain Will the next terrorist attack include nuclear radiation Will the Iraq War be the catalyst precipitating a series of events that will result in the death of one third of the human race What should we be doing now to become fully prepared for these cataclysmic events Despite the terrible turmoil and the gathering clouds of doom we need not fear The Plan of God will prevail Satan will be defeated because the Atonement of Jesus Christ has made it impossible for evil to survive In the end good will conquer evil The purpose of life is to make choices People who choose to love others and to be kind will fulfill the purpose of their mortal existence They are the people who are embracing the eternal opportunities that have been provided by God They will be happy forever **Terrible Revolution** Christopher James Blythe,2020-06-17 Terrible Revolution is the history of apocalyptic visions in the Mormon experience Christopher James Blythe follows how last days beliefs informed the Church of Jesus Christ of Latter day Saints relationship with the United States and how the role of lay visionaries in the tradition changed Blythe s work draws on hundreds of little known archival sources to capture for the first time in scholarship the 200 year history of Mormon apocalypticism Brigham Young University Studies Brigham Young University,2006 *The Mormon Quest for the Presidency* Newell G. Bringhurst,Craig L. Foster,2008
