The Other Side Of The River A Story Of Two Towns:

The Other Side of the River Alex Kotlowitz, 2012-01-04 Bestselling author Alex Kotlowitz is one of this country's foremost writers on the ever explosive issue of race. In this gripping and ultimately profound book, Kotlowitz takes us to two towns in southern Michigan: St. Joseph and Benton Harbor, separated by the St. Joseph River. Geographically close but worlds apart, they are a living metaphor for America's racial divisions. St. Joseph is a prosperous lakeshore community and ninety-five percent white, while Benton Harbor is impoverished and ninety-two percent black. When the body of a black teenaged boy from Benton Harbor is found in the river, unhealed wounds and suspicions between the two towns' populations surface as well. The investigation into the young man's death becomes inevitably a screen on which each town projects their resentments and fears. **The Other Side of the River** sensitively portrays the lives and hopes of the towns' citizens as they wrestle with this mystery and reveals the attitudes and misperceptions that undermine race relations throughout America. **Convicted** Jameel Zookie McGee, Andrew Collins, Mark Tabb, 2018-10-09 WINNER OF THE CHRISTOPHER BOOK AWARD A must read for anyone who longs for the day when the dividing lines of race, class, and bigotry are finally overcome by the greater forces of love, forgiveness, and brotherhood. Rev. Samuel Rodriguez: Racial tensions had long simmered in Benton Harbor, a small city on the eastern shore of Lake Michigan, before the day a white narcotics officer, more focused on arrests than justice, set his sights on an innocent black man. But when officer Andrew Collins framed Jameel McGee for possession of crack cocaine, the surprising result was not a race riot but a transformative journey for both men. Falsely convicted, McGee spent three years in federal prison. Collins also went to prison a few years later for falsifying police reports. While behind bars, the faith of both men deepened. But the story took its most unexpected turn once they were released when their lives collided again in a moment brimming with mistrust and anger. The two were on a collision course, not to violence but forgiveness. As current as today's headlines, this explosive true story reveals how these radically conflicted men chose to let go of fear and a thirst for revenge to pursue reconciliation for themselves, their community, and our racially divided nation. **Outstanding Books for the College Bound** Angela Carstensen, 2011-05-27 More than simply a vital collection development tool, this book can help librarians help young adults grow into the kind of independent readers and thinkers who will flourish at college. **The Readers' Advisory Guide to Nonfiction** Neal Wyatt, 2007-05-14 Navigating what she calls the extravagantly rich world of nonfiction, renowned readers advisor RA Wyatt builds readers' advisory bridges from fiction to compelling and increasingly popular nonfiction to encompass the library's entire collection. She focuses on eight popular categories: history, true crime, true adventure, science, memoir, food, cooking, travel, and sports. Within each, she explains the scope, popularity, style, major authors, and works, and the subject's position in readers' advisory interviews. Wyatt addresses who is reading nonfiction and why, while providing RAs with the tools and language to incorporate nonfiction into discussions that point readers to what to read next. In easy-to-follow steps, Wyatt explains the hows and whys of offering fiction and nonfiction suggestions together.
