The Perilous Order Warriors Of The Round Table:

The Perilous Order A. A. Attansio, 1999 Arthur has achieved the impossible pulling the sword Excalibur from the stone He is now king of all Britain But the tribal chieftans are not willing to accept a beardless 15 year old lad as their ruler Arthur must take his frail power and win the pledges of loyalty from his subjects *The Wolf and the Crown* A. A. Attanasio, 2011-06-22 Though he possesses the legendary sword Excalibur the boy king Arthor discovers that he must earn the respect of the warring lords of Britain before he can truly claim his place as their leader The third volume in Attanasio's epic re creation of the Arthurian cycle follows young Arthor through his first difficult year of kingship This is a flamboyant magical retelling of the saga of Camelot *A Bibliography of Modern Arthuriana (1500-2000)* Ann F. Howey, Stephen Ray Reimer, 2006 Annotated bibliography of the Arthurian legend in modern English language fiction not only in literary texts but in television music and art The legend of Arthur has been a source of fascination for writers and artists in English since the fifteenth century when Thomas Malory drew together for the first time in English a variety of Arthurian stories from a number of sources to form the Morte Darthur It increased in popularity during the Victorian era when after Tennyson's treatment of the legend not only authors and dramatists but painters musicians and film makers found a source of inspiration in the Arthurian material This interdisciplinary annotated bibliography lists the Arthurian legend in modern English language fiction from 1500 to 2000 including literary texts film television music visual art and games It will prove an invaluable source of reference for students of literary and visual arts general readers collectors librarians and cultural historians indeed by anyone interested in the history of the ways in which Camelot has figured in post medieval English speaking cultures ANN F HOWEY is Assistant Professor at Brock University Canada STEPHEN R REIMER is Associate Professor at the University of Alberta Canada **Romance of the Perilous Land** Scott Malthouse, 2019-12-12 Romance of the Perilous Land is a roleplaying game of magic and adventure set in the world of British folklore from the stories of King Arthur to the wonderful regional tales told throughout this green and pleasant land It is a world of romantic chivalry but also of great danger with ambitious kings evil knights and thieving brigands terrorising the land while greedy giants malevolent sorcerers and water dwelling knuckers lurk in the shadows As valiant knights mighty barbarians subtle cunning folk and more the players are heroes roaming the land to fight evil right wrongs and create their own legends *The Endless Text* Edward J. Dudley, 1997-01-01 Traces the history of chivalric fiction in Western Europe from the earliest Celtic tales to the conflict between romance and realism in Don Quixote **Katya's World** Jonathan L. Howard, 2012-12-04 The distant and unloved colony world of Russalka has no land only the raging sea No clear skies only the endless storm clouds Beneath the waves the people live in pressurised environments and take what they need from the boundless ocean It is a hard life but it is theirs and they fought a war against Earth to protect it But wars leave wounds that never quite heal and secrets that never quite lie silent Katya Kuriakova doesn't care much about ancient history like that though She is making her first submarine voyage as

crew the first nice simple journey of what she expects to be a nice simple career There is nothing nice and simple about the deep black waters of Russalka however soon she will encounter pirates and war criminals see death and tragedy at first hand and realise that her world s future lies on the narrowest of knife edges For in the crushing depths lies a sleeping monster an abomination of unknown origin and when it wakes it will seek out and kill every single person on the planet *The Antiquary* ,1873 Kaapse bibliotekaris ,2000 Issues for Nov 1957 include section Accessions Aanwinste Sept 1957 *The Lost Land of King Arthur* John Cuming Walters,1909 **The British National Bibliography** Arthur James Wells,2000
