**A Matter of the Heart** T. D. Burns,2004 While recovering from a heart transplant a strange dream kept returning Bob Hunter found himself once again on a small lobster boat bobbing up and down in the ocean in front of a beautiful lighthouse he had never seen before A number of colorful lobster floats and a stack of lobster traps were on the boat in front of him Waves crashing and exploding against a rocky shore in front of the lighthouse sending giant sprays of white foam into the air A girl in a white dress was standing on a rocky ledge to the left of the lighthouse and waving He knew that somehow she was waving at him As the sequence of dreams returned he would find himself walking up to her as she opened her arms to greet him She was one of the most beautiful girls he had ever seen Her long auburn hair and white dress were gently flowing in the breeze off of the ocean He would always wake up just as he approached Over a period of time he developed an unexplainable and obsessive love for her even though he knew she could not possibly be real Bob Hunter was an artist and a naturalist and painted a picture of both the lighthouse and the girl in his dreams A new acquaintance saw the painting of the lighthouse and told him it was real as she had visited and photographed the same lighthouse She encouraged him to travel to the area to see if he could find a reason for his dreams The dreams had no rhyme or reason Bob had never seen a lobster boat and could not believe that the lighthouse in his dreams actually existed The only way he could rid himself of these dreams was to follow his friend's suggestion and travel to the lighthouse and begin a search for the lady of his dreams

The Bear David Lee,2015-11-30 David will never forget the day he met Theo as much as he might want to On a mission to right a wrong done to his sister as a child David walks into LAO Schulz a famous toy Mecca in the heart of New York City What he sees that day in the stuffed animal aisle challenges everything he understands about reality As David turns the corner he hears the sound of slapping He investigates and sees a rather large stuffed bear viciously smacking a toddler around As quickly as it starts the attack ends The bear regards David with cold plastic eyes climbs up on its shelf and quickly settles into the lifeless pose one would expect from stuffed bears Not only is this stuffed bear alive David

realizes his evil David decides he must own this bear and with that their bizarre relationship begins His name is Theo and he's got a whopper of a story to further challenge David's belief system Cruelly put to death as a real bear cub Theo is given a second chance at life as a stuffed animal Theo is forced to become a killer as a rising star among the ranks of a secret brotherhood of gangster teddy bears Betrayed Theo is left to rot in the slammer Theo and his friends conspire to escape With the loyal Houdini by his side the gang breathes free air again but karma as they say is no friend to an ex con **Mark**
