The Beast And Babylon:

The Beast of Babylon J Wayne Anderson, 2020-02-27 A story told by Theology Professor Steven Alexander who was raised in a Christian home not buying into the salvation offered by Christ unveiling the last days of Satan's pretense to sway from God's truth He relates his experience of being left behind after the rapture including the ordeals from rejecting the mark of the beast 666 during the tribulation As Steven's story unfolds he gives an accounting of the rise and fall of Satan the Antichrist and the False Prophet telling it within the context of regret of not having accepting Christ when he had the chance He now must endure the facing of a world without the Holy Spirit and in an existence of a world which God has allowed Satan full authority until his appointed days are over

The Beast and Babylon J.B. Whitelaw-Stevens, 2017-07-06 *The Beast and Babylon* answers some age old questions about the two symbolic entities featured in the book of Revelation These symbols have historically been typified as a revived Roman Empire and its God opposing religious counterparts that rise up in Europe prior to the Second Coming of Jesus Christ In contrast this informative and timely study reveals that the latter day beast power rises out of not one but out of three defunct previous empires in the Middle East known via Daniel's metaphors as the lion bear and leopard kingdoms It appears from Daniel 7 11-12 that long after the last manifestation of the Roman Empire is destroyed these three dormant empires are revived for a season and a time During their rejuvenation they reappear in Revelation 13 and 17 in the form of a tripartite seven headed political religious beast power that emerges from the topographies of the ancient Grecian leopard Persian bear and Babylonian lion kingdoms Furthermore these combined territories encompass ten sovereign Islamic horn nations that were revealed after the Ottoman Empire was abolished ninety five years ago Today many of these Islamic nations contain embedded terrorist groups whose fanatical Jihadist leaders are determined to resurrect a radical pan Islamic Caliphate by which to establish Sharia law

throughout the World To achieve these objectives the latter day nascent imperial beast power in conjunction with ten like minded insurgent leaders must initiate a global Jihad to incite war on the people of God and conspire to destroy a religious city called Mystery Babylon the Great Babylon and the Beast: Revelation XVII.
