The Beginnings of Porcelain in China Volume 15, No. 2 Berthold Laufer, 2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1917 edition Excerpt THE POTTER S WHEEL When the clay is on the wheel the potter may shape it as he will though the clay rejoins Now you trample on me one day I shall trample on you Sir Herbert Risley The People of India Most of the phenomena of Chinese culture have hitherto been studied in splendid isolation Sinologues have usually been content to gather their information from Chinese sources and to arrange it in chronological order giving a more or less critical digest of the subject from the Chinese viewpoint but the question as to what the phenomena actually mean is as a rule shunned their interpretation hardly attempted It is certainly impossible to grasp any phenomenon within a given culture zone without understanding the parallel phenomena in other areas and without setting them in correlation with their concomitant factors The historical position and development of any cultural idea can be determined only by an attempt to unravel its causal connection with the natural group of related or associated ideas for no phenomenon is isolated or absolute but conditional upon others relative and cohesive Whether this method be styled that of comparative ethnology or archasology or that of culture science or something else does not matter It is there and must be applied if we are eager to reach results How it can be applied I wish to demonstrate by discussing on the following pages the nature of a simple instrument the potter s wheel Its concatenation with other technical elements and with social and religious factors will be pointed out and may help to show the history of pottery in a new light and in particular to determine the relation of ancient Chinese ceramic art to that of the West In a case like this one the

The History of Chinese Ceramics Lili Fang, 2023-05-23 Adopting the perspective of anthropology of art and combining it with global academic insights this book helps the readers to recognize that history is in great measure the record of human activity which spreads from the local to the regional from the regional to the global and from the global to the universal Readers will learn that China was not only the first country to create porcelain but also the first to export it to the world both the products and its techniques Therefore the history of Chinese ceramics reflects the history of Chinese foreign trade on the one hand and depicts the expansion of Chinese ceramic techniques and cultures on the other In addition to ceramics types molds decoration and techniques the book analyzes the spiritual impacts and aesthetic conceptions

embodied in the utensils of daily use by the Chinese literati Therefore it reaches the conclusion that ideological systems and not technological systems are what bring about social revolutions In addition the book is richly illustrated with pictures of earthenware and finely glazed pieces from later periods *The Origin and Evolution of China's Names II* HU

A-Xiang,2024-10-29 This is the second volume of a two volume set on the names of China focusing on the domestic and foreign names of the country in ancient and modern times Using interdisciplinary approaches from fields such as history geography ethnic studies linguistics psychology and toponymy this two volume set examines the origin and evolution of China's names over more than 4 000 years of history The second volume is divided into two parts The first part explains the habitual self names for China which remain unaffected by political regime changes The author explores the complex reasons for the emergence and evolution of indigenous names such as Zhongguo Zhonghua Jiuzhou and Sihai The second part discusses the names of China in foreign languages It looks at the origin development use and popularity of foreign names of China such as China Serice Taugas Cathay and those associated with Han Tang the dragon and the lion This book will appeal to both academic and general readers interested in Chinese history Chinese historical geography and Chinese toponymy

Cultural Communications Between China and The Outside World Throughout History Fuwei Shen,2024-09-10 This book starts from the very beginning of the cultural exchanges between China and the western regions to the exchanges in modern times featuring large time span and interdisciplinarity In addition to elaborate illustrations including precious pictures and sketch maps a large amount of archaeological data as well as both Chinese and foreign literature are employed in the book to provide the readers with a comprehensive in depth and systematic introduction of the cultural exchanges between China and the west regions from neolithic age to present China after Reform and Opening Up The intended readership includes professionals college students graduates specializing in Chinese history philosophy and culture as well as those interested in oriental civilizations
