The Paper: The Life and Death of the New York Herald Tribune Richard Kluger, 2021-04-12 Few American newspapers perhaps none have matched the New York Herald Tribune in the crispness of its writing and editing the bite of its commentators the range of its coverage and the clarity of its typography The Trib as it was affectionately called raised newspapering to an art form It had an influence and importance out of all proportion to its circulation During the Civil War Abraham Lincoln went to great lengths to retain the support of its co founder Horace Greeley President Eisenhower felt it was such an important institution and Republican organ that he helped broker its sale to its last owner multimillionaire John Hay Whitney The Trib s spectacularly distinguished staffers and contributors included Karl Marx Tom Wolfe Walter Lippmann Dorothy Thompson Virgil Thomson Eugenia Sheppard Red Smith Heywood Broun Walter Kerr Homer Bigart and brothers Joseph and Stewart Alsop At the close of World War II the Herald Tribune the marriage of two newspapers that had done more than any others to create modern daily journalism was at its apex of power and prestige Yet just twenty one years later its influence still palpable in every newsroom across the nation the Trib was gone This is the story The Paper a 1986 finalist of the National Book Award for Nonfiction and winner of the George Polk Prize tells Probably the best book ever written about an American newspaper But it is more than that a brilliant piece of social history that recounts in vivid and telling detail the changing conception of news in America The book is chockablock with marvelous yarns And what a cast of characters Kluger has to work with Some of the most vivid pages in The Paper are Kluger s portraits of these arresting personalities J Anthony Lukas The Boston Globe Monumental with a narrative sweep that is always absorbing and sometimes breathtaking What invigorates this history is Mr Kluger s enthusiasm for his subject which is apparent everywhere in the loving detail with which he tells the story and in the liveliness of the prose with which he profiles some of the Tribune s more unusual personalities Christopher Lehmann Haupt
