Sade's Secret Sparkle, 2012-05-25 There's nothing sweet about turning sixteen as three friends will soon find out Fifteen year old Sade Washington has been harboring a secret from her two best friends Crystal Jackson and Dena Bradford Her secret is threatened to be revealed when she discovers she's pregnant Once Sade's secret is out it causes a wedge between her and her mother Joyce Distraught at her mother's reactions Sade toils with a love hate relationship with her Joyce struggles with keeping peace in her household The relationship between her daughter and live in boyfriend Calvin has her in an emotional turmoil Joyce is determined to make their home a happy one by any means necessary Sade attempts to have a normal teen life but as she turns sixteen reality hits her head on She must make choices that will not only affect her future but that of her unborn child *Sade's Secret* takes the reader on an emotional ride as it deals with a strong subject matter and the dynamics of mother daughter relationships *Sade's Sensibilities* Kate Parker, Norbert Sclipa, 2014-11-20 *Sade's Sensibilities* tells a new story of one of the most enduring and controversial figures in European literature Blending ideas about subjectivity identity and natural philosophy with politics and pornography D A F de Sade has fascinated writers and readers for two hundred years and his materialist account of the human condition has been widely influential in post structuralism nihilism and feminism This new collection of essays considers Sade's Enlightenment legacy both within and beyond the narratives of radicalism and aberration that have historically marked the study of his oeuvre From different points of view these essays argue that Sade engaged with and influenced traditional Enlightenment paradigms particularly those related to sensibility subjectivity and philosophy as much as he resisted them They thus recover a Sade more relevant even foundational to our twenty first century understanding of modernity selfhood and community In *Sade's Sensibilities* Sade is no longer a solitary peripheral radical but an Enlightenment philosopher in his own right
