Business Men of the Bible James C. Muir, 2005-12-01 This is a book for business men It is not a book of sermons It was written for those interested in the early beginnings of business Some of the subject matter of this little volume is projected against the historical backgrounds of Biblical narratives With all due reverence for the Great Book the Biblical characters mentioned are reflected in the light of everyday life as men who shared in their day the common life experiences of mankind just as we share them in our world today from Business Men of the Bible This delightful and enlightening little volume of sermons reminds us that much of what we take for granted in the modern business world from secretaries to labor unions from the weekly payroll to planned economies were not our inventions but concepts with roots that go back to the beginning of time By looking at contemporary economic woes which can seem wholly modern and intractable through the prism of the worlds of ancient workers the farmer the merchant the architect the builder the engineer the artisan the physician the politician the teacher and others Muir reminds us that the solutions are within our grasp but that modern technology is not necessarily the answer This is a timeless work of business philosophy JAMES C MUIR also wrote The Spade and the Scriptures

Wayne Grudem, 2022-04-25 Can business activity in itself be morally good and pleasing to God? Sometimes business can seem so shady, manipulating the bottom line, deceiving the consumer, or gaining promotions because of whom you know. But Wayne Grudem introduces a novel concept: business itself glorifies God when it is conducted in a way that imitates God's character and creation. He shows that all aspects of business, including ownership, profit, money, competition, and borrowing and lending, glorify God because they are reflective of God's nature. Though Grudem isn't naive about the easy ways these activities can be perverted and used as a means to sin, he knows that Christians can be about the business of business. This biblically based book is a thoughtful guide to imitating God during interactions with customers, coworkers, employees, and other businesses. See how your business and your life in business can be dedicated to God's glory. **What the Bible Says to the Business Leader**
