The Bible Embracing Gods Truth We Believe Series:

What You Need to Know About the Bible Max Anders, 2011-08-08 How can I know that the Bible is God's Word? What about the errors critics claim the Bible has? How can I hear God speaking to me through the Bible? Hold a Bible and you have a miracle in your hands. It's the most influential book of all time: 66 books written over centuries by more than forty writers in fascinating forms: poems, letters, treaties, census reports, histories, prophecies, parables, and more, all expressing God's passionate desire to communicate with His people with you. In twelve lessons for individual or group study, Max Anders explores the Bible, helping you to understand its sections and themes so that you will begin to hear God's personal message to you through His Word. Then the miracle in your hands will work wonders in your heart. Features include 12 lessons that can be completed in under 1 hour each, Real life application of biblical truth, Explanations of prominent Christian views on the topic, Easy to teach resources including previews and summary features, Questions for discussion, Core teachings on Christianity that will challenge any seeker, new believer, or veteran believer looking for a stronger foundation. The What You Need to Know Series includes these ten titles: What You Need to Know about God, What You Need to Know about Jesus, What You Need to Know about the Holy Spirit, What You Need to Know about the Bible, What You Need to Know about Salvation, What You Need to Know about the Church, What You Need to Know about Spiritual Growth, What You Need to Know about Spiritual Warfare, What You Need to Know about Bible Prophecy, What You Need to Know about Defending Your Faith. *The Flourish Series* Liza Kobayashi, 2016-07-08 This book is a classic for this hour. It is actually divided into two smaller books to facilitate study learning. The author shares foundational principles of finding Jesus and becoming part of His kingdom. She outlines the significance of knowing Him and being in relationship with Him. This book is also interactive. It challenges a reader to look deep within the depths of one's heart and to allow the Holy Spirit, who is the source of power for the believer, to flourish, to release inner healing, freedom, and revelation of his/her true identity. This book is timeless and will help all believers to grow in their faith. It is a useful teaching tool for small groups, a ready source for new believers, and a call for all of us to be more effective as God's warriors in the days ahead. This book is a must-have for your library. Carolyn Suty, Regional Director, Aglow International.

What You Need to Know About Spiritual Warfare in 12 Lessons Max

Anders, 1997-03-18 What does the Christian faith say about spiritual forces? Spiritual Warfare outlines what the Bible says about good angels, bad angels, Satan, and the nature and activity of each. This non-sensational overview shows how believers can resist evil and stand firm in their faith.

Seven Pillars of a Biblical Church John B. Carpenter, 2022-02-02

Uncovering seven lessons from Scripture and the Puritans, John Carpenter applies the principles and practices that are often neglected by the church today but are key in making a church truly biblical. Drawing on his background as a scholar of Puritanism and years of planting and pastoring a church, Carpenter establishes each pillar on the Bible and shows, through Scripture and practical examples, how they work. Beginning with the tale of how an eyewitness account of the 9/11 terrorist

attack on the World Trade Center shows us the perils of only seeing part of God's revelation we see why we must listen to what God says about himself why we must understand that the gospel is not a self help plan why salvation is so simple that it can be reduced to a bumper sticker Jesus saves but is still so often misunderstood leading to unconverted people leading churches and why believers aren't called just to go to church but to be covenanted members of a specific church where they can be corrected by their pastors and where worship is centered on God not on personalities putting on a show or attracting crowds

The Bible Max E. Anders, 1995 *Universalist Union*, 1847 *Shepherding Women in Pain* Bev Hislop, 2020-04-07 A critical resource for anyone who wants to help women with the pressures frustrations and trauma they face Women today often have sources of tremendous pain in their lives such as infertility divorce domestic violence eating disorders and more Yet most leaders are not prepared to help women who have real pain from such traumatizing issues If you want to be better equipped to help women in pain this book was written for you Designed to give leaders and care givers greater understanding and insights *Shepherding Women in Pain* is a compilation from contributors who have expertise and experience on the given issue Learn about domestic violence from expert Stacey Womack founder and executive director of Abuse Recovery Ministry or learn how to help women who struggle with eating disorders from Kimberley Davidson founder of Olive Branch Outreach The reader will be provided concise practical and grace infused information designed to help women deal constructively with the trauma of their life experiences This book will serve as a key resource to read and re read often for those who serve women in pain A remarkable blend of expertise and empathy *Shepherding Women in Pain* is a perfect resource for pastors church staff and women's ministry leaders alike who want to help women in pain experience Jesus joy and wholeness again

Flirting with Universalism, 2nd Edition Dennis Jensen, 2024-07-16 It's likely the most difficult problem in the Christian faith It was a major reason that Bertrand Russell John Stuart Mill and countless others rejected Christianity It was an ax that began to chip away at Charles Darwin's early faith How could he accept that some of his closest relatives and loved ones would be spending an eternity in agonizing torment Yet the Christian doctrine of an everlasting hell of unmitigated pain turns out to be completely unwarranted biblically A close examination of the Bible demonstrates this but it also rejects any form of universalism that trivializes personal obligations to God The first edition of *Flirting with Universalism* looked at the biblical and philosophical evidence behind the various Christian views of the afterlife of those who reject their God universalism eternalism or traditionalism and annihilationism The second edition covers additional important arguments It concludes by taking a position between universalism and traditionalism God will forever honor the final choices of those who reject God and yet in the end all things will be reconciled to God The Bible affirms the goodness justice and love of God
