The Bible Speaks Today The Message Of Revelation With Study Guide:

The Message of Spiritual Warfare Keith Ferdinando, 2016-10-20 This valuable exposition of the theme of spiritual warfare is in four sections The first is concerned with the nature of Satan and his activity in the world God has made The second examines the different dimensions of Christ's victory over Satan The third considers ways in which Christ's victory over Satan impacts God's people The final section looks at various areas in which believers must fight sin and Satan Two concluding chapters examine the weapons with which God equips his people for their spiritual warfare *The Message of Sonship* Trevor J. Burke, 2011-09-28 In this warm hearted exposition Trevor Burke shows the many dimensions of sonship in Scripture It is at once the focus of creation a metaphor for salvation a moral imperative and the goal of human restoration For those whom the Father adopts into his household the family bonds that begin in this life will last for all eternity **The Message of the Second Coming** Steve Motyer, 2022-11-17 And if I go and prepare a place for you I will come again and will take you to myself that where I am you may be also John 14:3 ESV Jesus Christ was very clear one day He will return and we must know the signs of the times remain watchful and be ready for when He comes again In this insightful study Steve Motyer explores a number of key biblical texts to unpack The Message of the Second Coming Examining passages from both the Old and New Testaments he demonstrates that Jesus Christ is the core of the biblical worldview the climax of the biblical message the cornerstone of biblical theology and the centrepiece of authentic biblical faith for the twenty first century A new volume in the trusted the Bible Speaks Today series of commentaries The Message of the Second Coming offers a clear cogent and thought provoking exposition of what the Bible tells us about the second coming of Jesus Christ and how the lessons drawn from that can be applied to modern Christian living Used by Bible students and teachers around the world the Bible Speaks Today commentaries are ideal for students who want to deepen their understanding of Scripture and its continued relevance today This volume is also perfect for those preaching on the second coming of Christ and looking for accessible exposition they can draw on for their sermons This new edition uses the NIV Bible text and its beautiful cover matches the redesigned editions of existing Bible Speaks Today Commentary The Message of the Second Coming is perfect for anyone looking for compelling commentaries will help them better understand the meaning of the second coming of Christ and how it applies to their everyday life **The Message of Mission** Howard Pesket, Vinoth Ramachandra, 2024-09-19 The root of the word mission means sending All Christian mission has its fountainhead in the God revealed in Scripture who sent his Son for us sends his Spirit to us and summons all people to himself The privilege and responsibility of his church sent into all the world is to testify by his words and deeds to Jesus Christ God's unique son crucified risen and ascended The East West partnership in missiological exploration expounds a variety of Old and New Testament texts and examines a wide range of issues The authors desire is that Jesus Christ might be glorified more and more in the church and in the world their eager expectation is that one day the whole creation will find its consummation in

him and God will be all and in all The Message of the Kingdom of God T. Desmond Alexander, 2024-01-18 Across 22 chapters T Desmond Alexander expounds the theme of the kingdom of God from selected Old and New Testament texts showing its relevance for today God made us to rule with him as his representatives to establish his kingdom on earth But Adam and Eve's rebellion alienated humanity from God's kingdom instead making them slaves to the kingdom of darkness As the promised ruler Jesus Christ comes as the perfect king to redeem enslaved humanity This servant king brings God's kingdom on earth through self sacrificial love In hope we now await the return of the king and the coming of the eternal kingdom With a fully integrated study guide suitable for both individuals and groups The Message of the Kingdom of God will help you to see how the Bible's unified teaching on this vital theme can impact your life today The Bible Speaks Today series covers every book of the Old and New Testaments as well as Bible themes that run through the whole of Scripture The Message of Humanity Ian W. Payne, 2025-02-20 Who do humans think they are A cacophony of answers in the face of global challenges like climate change artificial intelligence racism nationalism terrorism feminism abortion gene therapy gender constructivism shows we do not agree To a deeply divided despondent world the Bible speaks today about the human condition and destiny by pointing us to Jesus Christ the true human the image of God Ian Payne's conviction is that the most important answer to the question of humanity is God He expounds a comprehensive selection of Old and New Testament passages and examines a range of issues in being human today The book is structured in three parts following the biblical narrative Part 1 Created in the image of God Part 2 Image of God renewed in Christ Part 3 Issues in being human This biblical theology shows that hope and meaning for humans are found in remembering and trusting God's gift of life and goal of redemption and restoration With an integrated study guide this book is perfect for personal and group study and preachers application of the passages covered *The Message of Prayer* Tim Chester, 2020-05-21 Many books on the practice of prayer seem to be informed more by the experiences of their authors than by Scripture However the Bible not only teaches us about prayer it also gives us many examples of prayer It is God's Word to us and it teaches us how to respond to that Word Tim Chester's insightful exposition of this central aspect of Christian living is driven by the conviction that we need to reform not only our thinking and behaviour in the light of God's Word but also our praying Drawing on a wide range of biblical texts he explores the foundations and the practice of prayer and shows that how we understand prayer is necessarily bound up with how we understand the gospel and God himself *The Message of 1 & 2 Thessalonians* John Stott, 2021-05-18 In his heartfelt letters to the Thessalonians Paul addresses many issues that are still of vital importance today such as Christian community church leadership moral living evangelism and what we need to know about the end times In this revised BST volume John Stott guides readers passage by passage through the rich truths found in 1 and 2 Thessalonians *The Overcomers Bible Study Guide plus Streaming Video* Matt Chandler, 2024-06-11 In An Overwhelming World We Can Be Overcomers For the last 2 000 years the book of Revelation has given courage not fear to Christians

Reading Revelation After Supersessionism Ralph J. Korner, 2020-11-11 In this volume Ralph Korner argues that John s extensive social identification with Judaism s Jewishness and Jewish institutions does not reflect a literary program of replacing Israel with the ekkl siai churches assemblies that is the Jewish and non Jewish followers of Jesus as Israel s Messiah Rather John is emplacing his Christ followers further within Israel without thereby superseding Israel as a national identity for ethnic Jews who do not follow Jesus as the Christos There are three primary roads travelled in this investigative journey First Korner explores ways in which a Jewish heritage is intrinsic to the literary structure genre eschatology symbolism and theological motifs of the Apocalypse Second he challenges the linear chronology of generally supersessionist dispensational readings of Revelation s visionary content by arguing for a reiterative repetitive structure based on certain literary devices that also provide structure for visions within Jewish apocalypses and Hebrew prophecies Third he incorporates the most recent research on ekkl sia usage especially in Asia Minor to assess how John s ekkl sia associations might have been non supersessionally perceived especially by Jews in Roman Asia
