**The Guest Lecture** Martin Riker, 2023-01-24 With a voice as clear sincere and wry as any I've read in current American fiction Joshua Cohen Martin Riker's poignant and startlingly original novel asks how to foster a brave mind in anxious times following a newly jobless academic rehearsing a speech on John Maynard Keynes for a surprising audience In a hotel room in the middle of the night Abby a young feminist economist lies awake next to her sleeping husband and daughter Anxious that she is grossly

underprepared for a talk she is presenting tomorrow on optimism and John Maynard Keynes she has resolved to practice by using an ancient rhetorical method of assigning parts of her speech to different rooms in her house and has brought along a comforting albeit imaginary companion to keep her on track Keynes himself Yet as she wanders with increasing alarm through the rooms of her own consciousness Abby finds herself straying from her prepared remarks on economic history utopia and Keynes s pragmatic optimism A lapsed optimist herself she has been struggling under the burden of supporting a family in an increasingly hostile America after being denied tenure at the university where she teaches Confronting her own future at a time of global darkness Abby undertakes a quest through her memories to ideas hidden in the corners of her mind a piecemeal intellectual history from Cicero to Lewis Carroll to Queen Latifah as she asks what a better world would look like if we told our stories with more honest and more hopeful imaginations With warm intellect playful curiosity and an infectious voice Martin Riker acutely animates the novel of ideas with a beating heart and turns one woman s midnight crisis into the performance of a lifetime *Life on the Guest List* Laurel Federbush,2003 Iris a lonely American classical harp student living in Toronto becomes entranced with a bohemian group of rock musicians particularly the enigmatically seductive guitarist Mink Lasher who may or may not have supernatural powers An obsessed but harmless groupie Iris witnesses the heartrending dissolution of Mink s relationship with singer Ruby Treece and follows him on his journey through various girlfriends and bands to a point of self realization which ultimately transforms Iris as well This novel was inspired by the fascinating musicians connected with the 1980 s Toronto band Pukka Orchestra most notably ace guitarist Neil Chapman
