Manickavasagam,2020-05-26 All the memories of a man in his life whether it might be of heart warming or heart breaking should not go buried along with his last breath but should leave some inputs to his family members relatives and friends to make them aware of his past life track for their future guidance At the same time if the same man happens to be a person who had served in any public service organization then his memories should not go vanished away along with his soul However such memories should necessarily leave a lesson to his successors and all the common public to learn the morals and to realize the things as to how the problems are raised in societies and how the same could be prevented Unlike the other departmental officials of the government services the police officials would not have an opportunity of second innings to continue their services in any other sector after their retirement as the police service is entirely different from other services of the governing bodies like technical educational medical and commercial services Because of this most of the retired police officials would feel themselves isolated and spend the remaining part of their lifetime in a lackadaisical manner Under such circumstances it is my son Arulmurugan and my daughter Sivasakthi who are now living respectively in Michigan and Arizona States of USA have suggested me to write some useful articles in blog a kind of website to share my thoughts in good faith with hundreds and thousands of readers over the months and years My children s encouragement and guidance empowered me to enter into such blog writings and publish the same in my blog site As far as the police department is concerned in olden days our traditional practice was to write everything manually by our own hand for all kinds of script works until the police department was modernized As I had been accustomed for a long time only to such manual writings I gradually learned the system related works and started to login into my blog site and write the articles directly in my blog after my superannuation Initially I was writing on some social issues in my blog Then a spark came in my mind as to why should not I write short stories in my blog based on the cruxes of some past occurrences that came across in my police service Since I had been in the regular habit of preparing my case diaries and the investigation reports in my own handwriting throughout my service it was easy for me to recollect some past occurrences and shape up the same in the form of short stories adding some spicy essence to pep up the style of writing While writing such short stories I shaped up the same with an object of giving some moral messages thrill fun and some social thoughts to every reader without touching the sentiments of anyone The names of the characters in the short stories and the articles have been

changed I have spent almost all the days after my superannuation in writing fifty five episodes most of which are short stories and few are satirical article to poke fun at some social evils and injustice with a narrative style of a professional storyteller At this moment I would like to make a self explanation Yes Some may think as to why this Policeman has written this book in English First I would like to state that I love my mother tongue Tamil the most ancient of all other languages Anyhow I had a little passion of learning one more language in addition to my mother tongue because of which I had a brief interest in grooming the English language in me I have written this book in English with an idea of conveying my short stories and thoughts to all the people irrespective of linguistic variations and regional differences K Manickavasagam Dy Superintendent of Police Retd **Love You Till I Die** shylove143, Lexter Montero very handsome rich and powerful in his hometown was obsessively in love with his childhood sweetheart Yaze Cruz seeing her after eleven years never thought he would still be in love with Yaze He cannot accept the fact of being turned down by her but he saw an opportunity of owning her in an agreement Unluckily on Yaze Cruz side the sudden illness of her father leaves her with no option but to ask help from Lexter Montero with an agreement of serving him as a maid in his home Lexter Montero not knowing that Yaze truly love him but the big gap of being RICH and POOR and the pain inflicted in her heart making Yaze hide her love for him **The World Through the Eyes of Iva Wallet** Kirsty Harrison, **The Malkin** Kurt Steiner,2021-12-17 The widowed Indian businesswoman living across the hall from him was of no interest to Daniel Saunders Until she made him take notice And in a way that thrilled as much as it emasculated him He was she told him just the English Manservant she had been searching for Cupping his balls beneath a pair of black lycra underpants I could feel upon the heel of my hand the erection arrowing up to his midriff and felt even greater confidence in regard of my ability to master this handsome Englishman In fact so great was my own arousal that it took every ounce of my willpower not to throw him to the floor and ride him to nirvana just like the beast of burden I intended him to be for me He would be ridden Of that there was no doubt But only when he had been totally broken and would regard my slipping into the saddle as not only just but natural **Level 3: The Ring** Bernard Smith,2019
