The Hapman Story:

William and Rosetta Victor Thomas Chapman,1998 *The Quest of John Chapman* Newell Dwight Hillis,1917 **Quest of John Chapman** Hillis Newell Dwight,1901 **The Edge of Mosby's Sword** Gordon Blackwell Bonan,2009-10-09 The Edge of Mosby's Sword is the first scholarly volume to delve into the story of one of John Singleton Mosby's most trusted and respected officers Colonel William Henry Chapman Presenting both military and personal perspectives of Chapman's life Gordon B Bonan offers an in depth understanding of a man transformed by the shattering of his nation This painstakingly researched account exposes a soldier and patriot whose convictions compelled him to battle fiercely for Southern independence whose quest for greatness soured when faced with the brutal realities of warfare and who sought to heal his wounded nation when the guns of war were silenced Born into a wealthy slave owning family Chapman was a student of the fiery secessionist rhetoric of antebellum Virginia who eagerly sought glory and adventure on the battlefields of the Civil War Bonan traces Chapman's evolution from an impassioned student at the University of Virginia to an experienced warrior and leader providing new insight into the officer's numerous military accomplishments Explored here are Chapman's previously overlooked endeavors as a student warrior leader of the Dixie Artillery and as second in command to Mosby including his participation in the capture of Harpers Ferry the battering of Union forces at Second Manassas and his ferocious raids during the 1864 Shenandoah Valley campaign Bonan reveals fresh perspectives on the intrepid maneuvers of Mosby's Rangers the hardships of war and Chapman's crucial role as the right hand of the Gray Ghost But while Mosby recognized him for his bravery and daring the fame Chapman sought always eluded him Instead with his honors and successes came disillusionment and sorrow as he watched comrades and civilians alike succumb to the terrible toll of the war The end of the struggle between North and South saw Chapman accept defeat with dignity leading the Rangers to their official surrender and parole at Winchester With the horrors of the war behind him he quickly moved to embrace the rebuilding of his country joining the Republican party and beginning a forty two year career at the IRS enforcing Federal law throughout the South In the end Chapman's life is a study in contradictions nationalism and reconciliation slavery and liberty vengeance and chivalry

The Quest of John Chapman Newell Dwight Hillis,2017-10-20 Excerpt from The Quest of John Chapman The Story of a Forgotten Hero Some years ago in making a study of the natu ral resources of our country and the wealth that comes through the grains and fruits as well as through the forests mines and manufacturing I chanced upon the statement that the orchards of the Ohio and Mississippi valleys go back to the work of an old man called Johnny Appleseed who first appeared on the Ohio in 1790 drifting down the river in a boat filled with seeds a man whose name and work are unfamiliar to our gen cration but who is known to have put out a full hundred orchards during his strange career Something about this story captured my imagina tion and at the first opportunity I went to Colum bus Ohio to search the records of the Historical Society To my surprise I found that innum er able legends myths and traditions have gathered around the name of this man who seems to have been the idol and hero of a generation that of necessity left few written records for historians About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

History's Most Daring Rogues and Villains Nigel Blundell, 2022-05-05 Gathered together within the pages of this book is a roguish array of artful tricksters fantastic fakers rascally fraudsters and cunning conmen They all bend the rules and usually the law Yet however reprehensible their misdeeds these thoroughly rotten scoundrels often display the very essence of enterprise and adventure It would be wrong to condone their antics of course but it is difficult not to admire their artifice After all this sort of raffish crime has spawned scores of anti heroes in books movies and TV series But the stories told here are all true among the most barely believable dodgy misdeeds of the past two centuries Powerful motives drive this book's extraordinary characters as they rampage on the wrong side of the law Greed is the most usual ambition is another lust sometimes plays a compelling part But many are compelled by no other cause than a perverted sense of adventure It is these various forces that link the disparate bunch of characters in this fascinating catalogue of crime If as the saying goes the Devil has the best tunes he certainly also has some of the best stories and here are some of the most startling case histories Together they're the diabolically fiendish work of History's Most Daring Rogues and Villains
