The Key To My Neighbours House:

Lola's War Olivera Simic, 2023-06-01 This longitudinal study is based on the story of Lola who was gang raped during the war in Bosnia and Herzegovina in 1992 At the time she was in a detention camp with her young children Only one of Lola's several perpetrators was convicted but his sentence of six years of imprisonment has never been actioned by the Bosnian judiciary Lola's rapist is still free and she lives in continual fear that he will retaliate against her and her children for her role in his trial

Estate Regeneration and Its Discontents Paul Watt, 2021-03-31 Public housing estates are disappearing from London's skyline in the name of regeneration while new mixed tenure developments are arising in their place This richly illustrated book provides a vivid interdisciplinary account of the controversial urban policy of demolition and rebuilding amid London's housing crisis and the polarisation between the city's haves and have-nots Drawing on extensive fieldwork and interviews with over 180 residents living in some of the capital's most deprived areas Watt shows the dramatic ways that estate regeneration is reshaping London fuelling socio-spatial inequalities via state-led gentrification Foregrounding resident experiences and perspectives both before and during regeneration he examines class place belonging home and neighbourhood and argues that the endless regeneration process results in degeneration displacement and fragmented communities

The War Against Future Prateek Pandey, 2017-01-25 This sci-fi book is all about dreaming big People says that don't dream big I say you to dream big 90% people fail in their life not because they dreamed so high They got failed because they dreamed very much low This book is for dream followers and for the people who want to do extraordinary things in their life This book about a boy who was never a good student in his childhood days He was having no dreams but one day after listening to a man he got his dream but a new problem arises here Society is opposing him to make his dream a truth Let's see who will win he or society

Relationships Grace Gbajabiamila, 2015-05-15 The writing of this book was inspired by a divine revelation of what is important as we sojourn on Earth PEOPLE It is possible to miss this great truth as the clamour for things increases daily on Earth Yet apart from your investment in a relationship with your Maker the only worthwhile investment with eternal value is being an investor in people We exist to relate first with God and next with Man No man is an island and no man can exist by themselves and for themselves alone Finally it is knowing that the only thing you will exit this world with is the eternal record of what you did with your relationships
