Creative Kids Zone, Grade 2 Brighter Child, 2012-05-01 Creative Kids Zone is the optimal workbook for every 21st century learner. It combines solid standards-based math, language arts, and science content with fun stories, crafts, and games. Children can flip between the five color-coded zones: Craft, Math, Story, Science, and Game to discover a wealth of creative activities that present important content while keeping boredom at bay. Each zone features different activity formats to reinforce essential skills. Craft Zone develops fine motor skills and enhances the creativity and collaboration a 21st century learner must possess. Math Zone features grade-specific math activities that equip children with the math skills needed for school readiness. Story Zone includes three six-page removable storybooks children can cut out, read, and share while developing early reading and writing skills. Science Zone includes fun hands-on experiments and activities that relate to subject content. Game Zone reinforces critical thinking and logic skills while supporting the lessons taught in the other zones. Each grade-specific Creative Kids Zone workbook features 256 pages of standards-based content combined in a dynamic format with bright illustrations, a colorful character poster, and an additional Answer Zone to help students achieve subject mastery. This winning combination easily provides the fun and engagement that children love with the educationally sound content that parents desire.

10-Minute Brain Teasers Gareth Moore, 2010-07-08 Do you easily forget phone numbers or birthdays? Do you often lose your car keys? Are there times when you just can't remember your bank card PIN? Do you lose focus at work by mid-afternoon? If you answered yes to any of those questions, then you need to sharpen your mental reflexes, fire those synapses, and give your brain a good, hard, and fun workout. 10 Minute Brain Teasers provides practical and necessary advice on how to keep your brain in tip-top shape. From logic tests to word squares to Kakuro puzzles, this book has the essential brain teasers for keeping your gray matter healthy. If you are looking to be able to focus during those long meetings or you just want to keep your mind sharp, these puzzles will be sure to increase your brain efficiency while providing a ten-minute workout for your cognitive lobes. Like any workout, the brain teasers in this book start off slow and become increasingly challenging as you progress from simple memory tests to verbal reasoning exercises. In the end, you'll have a stronger, fitter mind, and you'll have had fun in the process.
