The Last Coach A Life Of Paul Bear Bryant:

The Last Coach Allen Barra, 2015-11-19 The explosive biography of the greatest college football coach in history When Paul William Bear Bryant died on January 26 1983 it was the lead story on the all three networks evening news New York City newspapers reported his death on their front pages Three days later America watched in awe as an estimated quarter of a million mourners lined the fifty five mile stretch from Tuscaloosa to a Birmingham cemetery to pay their respects as his three mile long funeral cortege drove by Bryant's passing was noted with the kind of reverence our country reserved for statesmen or military leaders though Paul Bear Bryant had insisted for much of his life that he was just a football coach For millions he was much more he was the greatest coach the game ever saw the heir to the tradition established by Knute Rockne He took his Alabama Crimson Tide teams to an unmatched six national championships But to the players journalists and fans whose lives he touched in his more than half a century as a player and coach he was the last symbol of values that transcended football courage discipline loyalty and hard work To his critics Bryant represented the dark side of big time college football brutality fanaticism and blind adherence to authority The real Bear Bryant was far more complex than either his admirers or detractors knew While maintaining a public friendship with Alabama governor George Wallace he continually sought ways to undermine the governor's segregationist policies finally forcing a legendary football game in Birmingham with the University of Southern California that opened the floodgates to the integration of football at the University of Alabama including its coaching staff Old fashioned in his politics he was nonetheless an admirer of Robert Kennedy whom he planned to vote for in 1968 Allen Barra's *The Last Coach* traces Paul Bryant's rise from a family of truck farmers to recognition as the most successful and influential coach in the game's history Through it all Bryant's influence has not only endured but prevailed as his former players and assistants continue to define the best in not only college but professional football A USA Today and Washington Post Best Sports Book *The Bear* Don Keith, 2006 Based on a screenplay by Al Browning Jr **Coach** Keith Dunnavant, 2017-11-14 The definitive portrait of Paul Bear Bryant the most successful college football coach in history Just five weeks after coaching his final football game for the University of Alabama Paul Bear Bryant passed away The impact he had on the state of Alabama and the entire college football world cannot be overstated For twenty five years as the head coach of the Crimson Tide and thirteen years before that at Maryland Kentucky and Texas A M Bear Bryant's outsized personality and deep charisma made him the dominant figure in the world of college football turning boys with ordinary talent but extraordinary heart into winners both on the gridiron and off At Alabama Bear Bryant would go on to become the winningest coach of all time achieving the best record in the country in both the 60s and 70s He is the only coach to win national championships with both segregated teams and integrated ones His secret lay not in any strategic brilliance he brought to the game but in his gift for molding individual talents into a cohesive unit that could achieve far more than the sum of its parts would suggest That ability made him a great coach but to many Bryant represented more than just a

coach He was everything a southern gentleman was supposed to be tough principled charismatic modest in victory yet quick to assume blame in defeat and as mindful of where he d come from as where he was going Coach is not only about the man and his tremendous ability to succeed it s also a tribute to the South and the legacy Coach Bryant left behind In a divisive era Bryant gave Alabamians something to be proud of And he was simply the greatest football coach of all times **I**

Remember Paul "Bear" Bryant Al Browning,2001 Paul Bear Bryant was arguably the greatest football coach in the history of college football Beloved by fans of the Alabama Crimson Tide by the time he retired from coaching following the 1982 season his teams had won 323 games a feat unmatched by any coach in college football history Before arriving in Tuscaloosa he had coached at Maryland Kentucky and Texas A his teams at Alabama won six national championships and thirteen Southeastern Conference titles On July 17 1981 Coach Bryant sat in his office at Memorial Coliseum reminiscing with sports columnist Al Browning of the Tuscaloosa News Contemplating the twilight of his career he calmly said They ll forget me as soon as I croak and am buried When Browning objected Coach smiled slightly and said No that s the way it is Life moves on and people find interest in other things While Bryant s memory may have faded slightly he certainly has not been forgotten and I Remember Paul Bear Bryant is a glowing testimony to the love that those who knew him best continue to have for him to this day Here dozens of his contemporaries former players childhood friends family competitors opponents and his boys offer in their own words their favorite memories of this man they loved so much They recall ordinary moments as well as extraordinary ones they recall moments of joyful victory and bitter defeat they recall memories of the gridiron discipline he dished out and the thoughtful helpful guidance he offered to his players even long after they had graduated and gone on to their own careers While Bryant has moved on from this life he has not been forgotten and the personal memories included in IRemember Paul Bear Bryant proves it beyond doubt **The Oxford Handbook of Sports Economics Volume 1** Leo H.
