The Last Journals Of David Livingstone Volume 1 Illustrated Edition:

The Daring Heart of David Livingstone Jay Milbrandt, 2014-09-30 The captivating untold story of the great explorer David Livingstone his abiding faith and his heroic efforts to end the African slave trade Saint Missionary Scientist Explorer The titles given to David Livingstone since his death are varied enough to seem dubious and with good reason In view of the confessions in his own journals saint is out of the question Even missionary is tenuous considering he made only one convert And despite his fame as a scientist and explorer Livingstone left his most indelible mark on Africa in an arena few have previously examined slavery His impact on abolishing what he called this awful slave trade has been shockingly overlooked as the centerpiece of his African mission Until now The Daring Heart of David Livingstone tells his story from the beginning of his time in Africa to the publicity stunt that saved millions after his death David Livingstone, Africa's Greatest Explorer Paul Bayly, 2017-05-17 In 1841 a twenty eight year old Scottish missionary David Livingstone began the first of his exploratory treks into the African veldt During the course of his lifetime he covered over 29 000 miles uncovering what lay beyond rivers and mountain ranges where no other white man had ever been Livingstone was the first European to make a trans African passage from modern day Angola to Mozambique and he discovered and named numerable lakes rivers and mountains His explorations are still considered one of the toughest series of expeditions ever undertaken He faced an endless series of life threatening situations often at the hands of avaricious African chiefs cheated by slavers traders and attacked by wild animals He was mauled by a lion suffered thirst and starvation and was constantly affected by dysentery bleeding from hemorrhoids malaria and pneumonia This biography covers his life but also examines his relationship with his wife and children who were the main casualties of his endless explorations in Africa It also looks Livingstone s legacy through to the modern day Livingstone was an immensely curious person and he made a habit of making meticulous observations of the flora and fauna of the African countryside that he passed through His legacy includes numerable maps and geographical and botanical observations and samples He was also a most powerful and effective proponent for the abolition of slavery and his message of yesterday is still valid today in a continent stricken with drought desertification and debt for he argued that the African culture should be appreciated for its richness and diversity But like all great men he had great faults Livingstone was unforgiving of those that he perceived had wronged him he was intolerant of those who could not match his amazing physical powers and finally and he had no compunction about distorting the truth particularly about other people in order to magnify his already significant achievements Illustrations 40 colour illustrations **Harper's New Monthly Magazine** ,1875 *The Athenaeum* ,1861 **The Publishers Weekly** ,1875 **Saturday Review** ,1874 **The academy** ,1874 **Literary Gazette and Journal of Belles Lettres, Arts, Sciences, &c** ,1819 The Illustrated London News ,1859 **The Nation** ,1875 Athenaeum and Literary Chronicle ,1857 *The Athenæum* ,1858 **Preacher and Homiletic Monthly** ,1916 *The Homiletic Review* ,1916 **Metropolitan Pulpit and Homiletic Monthly** ,1916 The American
