Reproduction of the original
The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage

The Last of the Huggermuggers Christopher Pearse Cranch, 1856 *An Analytic Dictionary of the English Etymology* Anatoly Liberman,
This work introduces renowned linguistics scholar Anatoly Liberman's comprehensive dictionary and bibliography of the etymology of English words The English etymological dictionaries published in the past claim to have solved the mysteries of word origins even when those origins have been widely disputed An Analytic Dictionary of English Etymology by contrast discusses all of the existing derivations of English words and proposes the best one In the inaugural volume Liberman addresses fifty five words traditionally dismissed as being of unknown etymology Some of the entries are among the most commonly used words in English including man boy girl bird brain understand key ever and yet Others are slang mooch nudge pimp filch gawk and skedaddle Many such as beacon oat hemlock ivy and toad have existed for centuries whereas some have appeared more recently for example slang kitty corner and Jeep They are all united by their etymological obscurity This unique resource book discusses the main problems in the methodology of etymological research and contains indexes of subjects names and all of the root words Each entry is a full fledged article shedding light for the first time on the source of some of the most widely disputed word origins in the English language Anatoly Liberman is one of the leading scholars in the field of English etymology Undoubtedly his work will be an indispensable tool for the ongoing revision of the etymological component of the entries in the Oxford English Dictionary Bernhard Diensberg OED consultant French etymologies Anatoly Liberman is professor of Germanic philology at the University of Minnesota He has published many works including 16 books most recently Word Origins and How We Know Them Etymology for Everyone [Golden Days for Boys and Girls](#), 1883

Three Children's Novels by Christopher Pearse Cranch Christopher Pearse Cranch, 2010-06-01
In his day Christopher Pearse Cranch 1813 1892 was a well known figure in American arts and letters with close ties to the New England Transcendentalists Though Cranch made his mark in fields ranging from poetry and journalism to caricature and oil painting his most enduring achievements are his novels for children Collected here for the first time in one volume these three works The Last of the Huggermuggers Kobboltozo A Sequel to the Last of the Huggermuggers and The Legend of Dr Theophilus or The Enchanted Clothes establish Cranch as a pioneer in American fantasy fiction Until now these texts have been largely inaccessible Huggermuggers 1866 and Kobboltozo 1867 went through several printings during the last half of the nineteenth century but have not been reissued since 1901 The manuscript of Cranch's third and last novel The Legend of Dr Theophilus disappeared around 1870 and did not resurface until the 1980s It has never before been published As the editors explain in their introduction Cranch was the first American author to write novel length works solely for children and

to fuse elements of fantasy and adventure In an era when most juvenile books emphasized moral rectitude and acquiescence to adult authority Cranch put a higher premium on humor and the imaginative aspects of storytelling Huggermuggers and Kobboltozo relate the still entertaining escapades of a shipwrecked American boy Jacky Cable and the gentle giants and evil dwarfs who inhabit the unknown island on which he is marooned In Dr Theophilus Cranch takes children to a faraway place where the sun cannot penetrate the fog and where a suit of enchanted clothes can cause mayhem and grief True to the novel's closing lines For the young a magic story For the old an allegory Cranch also satirizes the medical profession and his society's stunting reverence for the past The editors note superficial parallels between Cranch's novels and Robinson Crusoe Gulliver's Travels and the English Jack Tales but they believe that Cranch's stories actually belong more to the tradition of Hans Christian Andersen and the Brothers Grimm earlier masters at combining elements of fantasy and adventure They also detect in Cranch's heroes a thoroughly American self reliance and resourcefulness Written during an important transition in the history of American children's literature these three novels are of special interest to scholars of American Romanticism Perhaps most important of all they have not lost their attraction for young readers The presence in this volume of eleven of Cranch's original illustrations for Huggermuggers and Kobboltozo only enhances the stories imaginative appeal

The Merchants' Magazine and Commercial Review ,1856 **The English Dialect Dictionary** Joseph Wright,1902 The Publishers Weekly ,1911 An Historical and Biographical Introduction to Accompany the Dial as Reprinted in Numbers for the Rowfant Club George Willis Cooke,1902 **The English Dialect Dictionary, Being the Complete Vocabulary of All Dialect Words Still in Use, Or Known to Have Been in Use During the Last Two Hundred Years: F-M** Joseph Wright,1900

Whispering the Techniques of Language: An Mental Journey through **The Last Of The Huggermuggers**

In a digitally-driven earth where monitors reign great and instant communication drowns out the subtleties of language, the profound secrets and mental nuances concealed within phrases often go unheard. Yet, nestled within the pages of **The Last Of The Huggermuggers** a charming literary prize blinking with fresh feelings, lies a fantastic journey waiting to be undertaken. Published by a talented wordsmith, this charming opus encourages readers on an introspective journey, delicately unraveling the veiled truths and profound influence resonating within the very material of every word. Within the emotional depths with this moving review, we shall embark upon a sincere exploration of the book is primary themes, dissect their fascinating publishing type, and fail to the strong resonance it evokes strong within the recesses of readers hearts.
