The Path to Healing is a Spiral Anna McKerrow, 2023-02-14 A funny and profound memoir about trauma healing written by a Reiki Master witch and tarot reader The debut non fiction by a YA crime and romance novelist Anna's story is heartbreaking compelling and hilariously ridiculous What would you do to heal emotional trauma Anna was screaming at full volume into a pillow in a grey industrial estate when it dawned on her that maybe this was a slightly unusual way of processing grief It wasn't the first time she had done something a little odd to try and make sense of things There was the time she sobbed along to Elton John with a room full of strangers Or the very special experience of trying to enact the spirit of a deer in a school hall She's tried Reiki reflexology BodyTalk shamanic healing past life regression breathwork guided visualization dreamwork magick ritual disastrous gong baths and meditation her journey has been long and twisting but eventually it led to real understanding and real healing This book is about acknowledging our trauma looking at what it actually is and feeling our feelings Interviews with practitioners and experts delve deeper into what alternative therapies offer Ultimately Anna hopes to trigger much needed conversations about emotional health and the non mainstream ways we can communicate with ourselves and others Content warning suicide child illness depression bereavement explicit medical detail

The Path of Healing H. K. CHALLONER (pseud.), 1938 **Healing: the Path to Freedom** Dr. Michael D. Winer, 2014-08-20 Praise for Healing **The Path to Freedom** What Michael has apparently discovered and teaches is that how we interact with life moment by moment particularly our feeling experience is visibly at the core of everything From the broken things to the extraordinary things it is nowhere else but the place that no one thinks to look literally in ourselves The remarkable almost unique aspect of Michael's work is that everything he does and teaches points you back to the truth of your own tangible experience If you want to entertain the possibility of real change this can be

an excellent place to do it If you seek to preserve your status quo well this may not be the place The work is not easy though it is simple and clear Its also not necessarily a quick fix though some experience rapid results Expect change and be prepared to see that life is not only what you thought it was In todays increasingly small world sticking ones head in the sand is becoming a less and less viable option as hiding places become hard to find Michaels work is all about strongly engaging life and finding the only reliable refuge your true self Marc Glassgold

Take The Hard Path To Heal: Easy Never Built Anything Worth It Sybex Books, 2025-06-24 Healing isn t always soft Sometimes it s the hardest thing you ll ever do Take The Hard Path To Heal is a raw unfiltered look at the deep inner work that doesn t always feel good but leads to real freedom It s about choosing discomfort now so you don t stay stuck forever There s a version of healing that sells well bubble baths journaling and quiet mornings And while those moments matter this book is about the part most people avoid the confronting conversations the habits you have to break the grief you finally sit with instead of numbing it You ll walk the path of truth The one that asks more from you than you think you can give but rewards you with clarity strength and wholeness on the other side It s not easy But easy never built anything worth keeping This book isn t about glamorizing pain It s about honoring the process Because the hardest thing isn t feeling the wound it s deciding not to keep reopening it every time life presses on it You re capable of walking through what you once avoided You re capable of healing fully not halfway And when you take the hard path you discover that the version of you who comes out on the other side is not just healed but unshakable
