The Path Of Kabbalah:

The Path of Kabbalah Michael Laitman, Rav Michael Laitman, 2005-01-01 Kabbalists state that there is no reality at all but something called His Essence the Upper Force and this is what we perceive as our world As uncanny as it sounds this notion hides in its wings the very prospect of freedom for every person for every nation and for the entire world The structure and the perception of reality are the surface of this book But the story of humanity or more accurately of the human soul is the undercurrent that drives the reader forward in this book It is about you about me about all of us This book is about the way we were the way we are the way we will be and most importantly it is about the best way to get there In this neatly structured composition every part speaks of a different aspect of Kabbalah It starts with our perception of reality our perception of the Creator and the evolution of our soul in the spiritual worlds including explanatory drawings The book also clears up misconceptions about Kabbalah and explains in plain words how to experience the spiritual realm of our lives

Along the Path Elliot R. Wolfson, 2012-02-01 This book explores the fundamental issues in Jewish mysticism and provides a taxonomy of the deep structures of thought that emerge from the texts **Awakening to the Spirit Within:**

Eight Paths Pamela Smith Allen, PhD, 2003-09-12 The premise of Awakening to the Spirit Within is that all beings are connected by a spiritual energy which forms the essence of who they truly are Eight paths which facilitate an awakening to this essence are explored Native American Spirituality Taoism Hinduism Buddhism Kabbalah Jesus and the Christ Within Sufism and The New Thought Movement Practice exercises and references are also included This book highlights some of the unique gifts which various spiritual traditions have to offer our world In addition it explores the mystical threads of connection which underlie them Like the title suggests it also gives ways of listening to guidance from within The author includes messages from her own inner guidance in an effort to illustrate how this may occur Her openness provides more warmth and intimacy than is usually found in such a book In these uncertain times there has been an upsurge of interest in books related to spirituality religion and mysticism People are looking for ways to heal rather than destroy our planet That is why this book and others like it are so timely and important in moving us closer to our shared goal of creating a more peaceful and harmonious world Walking the Path of the Jewish Mystic Rabbi Yoel Glick, 2015-08-21 An innovative

handbook to the world of the Jewish mystics that opens up a window onto a higher reality When we embark upon the path of the mystic this earthly plane is no longer the focus of our lives Rather it is the invisible realm of the soul that draws us toward it We become aware that there are worlds upon worlds beyond the material existence in which we live This understanding illuminates our ascent into the Timeless Expanses of Infinity from The Divine Structure of Reality This unique guide to the world of the Jewish mystics will refashion the way you understand life God and religion Renowned teacher and spiritual mentor Rabbi Yoel Glick uses the secret traditions of Judaism and other faiths to show you how to deepen your self knowledge and live life with greater meaning and awareness Through the exploration of the body's energy centers the sefirot
