SINISTER TIDE

Colin Forbes writes a novel every year. For the past twenty-seven years he has earned his living solely as a full-time writer.

He visits all the locations which will appear in a new novel, Forbes says. "It is essential for me to see for myself where the book will take place. Only in this way can I capture up the unique atmosphere of the chosen locale."

He has explored most of Western Europe, the East and West coasts of America, and has made excursions to Africa and Asia. Each new book appears on all major bestseller lists. He is translated into thirty languages.

Surveys have shown his readership is divided equally between women and men.
