

A movie poster for the film 'Sisters in Arms'. The top half features a close-up of two Black women in military uniforms. The woman on the left is in profile, looking down, while the woman on the right looks forward with a determined expression. They are wearing olive green berets and collared uniforms with green buttons. The background is a blue sky with several military aircraft flying. The bottom half of the poster is a large, aged, yellowish-brown envelope with a red and white striped flap. The title 'Sisters in Arms' is written in a large, red, cursive font across the envelope. A circular postmark with the word 'PARIS' is visible on the right side of the envelope, and some faint, illegible text is on the left.

Sisters in Arms Meredith Goncalves, 2012 *Sisters in Arms* John Witmer, 2011-03-01 The story of three sisters all Wisconsin National Guard members going off to war together brought local media attention when Michelle Witmer became the first female National Guard member to be killed in action the story brought National attention When her parents went public with their request to have their surviving daughters taken out of harm's way the story went round the world Using the letters emails and phone calls received during their deployment John Witmer describes his daughters' experiences in Iraq and provides insight not only into the lives of female soldiers but into the lives of families who wait for soldiers *Sisters in Arms* illuminates the changing roles of women in the military while sharing the deeply personal story of a family's struggle to come to terms with profound loss *Sisters in Arms*, 1955 ***Sisters in Arms*** Catherine Jones, 1998 Three girls from entirely different backgrounds attend Sandhurst military college From the start they form bonds of friendship that take them through life until a long buried secret emerges to tear them apart ***Sisters in arms*** Meta Bison, 2001 *Sisters in Arms* Catherine Stevens, Kate Stevens, 1992-01-01 *Sisters in Arms* Carmen Teresa Stein-McCormick, 2011 **Catholic Women's Rhetoric in the United States** Elizabeth A. Wright, Christina R. Pinkston, 2022-01-28 Building on various feminist theories of ethos the authors in this collection explore how North American Catholic women from various periods

racism ethnicities sexualities and classes have used elements of the group's positionality to make change. The women considered in the book range from the earliest Catholic sisters who arrived in the United States to women who held the Church hierarchy accountable for the sexual abuse scandals. The book analyzes women such as those in an African American order who developed an ethos that would resist racism. Chapters also consider better known Catholic women such as Dolores Huerta, Mary Daly, and Joan Chittister.

Sisters in Arms Erica Ruppert, 2021-07-23 Michelle de la Fortuna's research brought her back to the lonely Massachusetts coast and to the house of the reclusive Sisters of Providence. For more than sixty years the Sisters have stood watch here first against the terrible pandemic that devastated their town and then against a more insidious threat from the depths of the sea. Drawn into the mystery by the last remaining member of the Sisterhood, Michelle begins to unravel the connections between the legends, the Sisters, and her own family history. Generational horror with a great Occult Seventies feel. Erica Ruppert weaves the sea myth and isolation into a novella rich with creepy atmosphere and deft characterization. Recommended.

Scott R. Jones, author of *Stonefish* and *Shout Kill Revel Repeat* At its core, this is a story about family lore, ghosts, and the old haunting absence caused by an untimely death. The narrative from there is adorned with a woman out to solve the mystery of her own ancestry, a town hollowed out by a pandemic in the early 1900s, and monsters from the sea. Ruppert manages to give readers a story that, while similar to all the trappings of *Innsmouth*, feels new and distinct. *Sisters in Arms* is a reminder of how long death sits with the living, how the past always seems to catch up when we suspect it the least, and of how powerless we are against it.

S. L. Edwards, author of *The Death of an Author*
