Mother Caroline and the School Sisters of Notre Dame in North America sister Dymphna, 1928

Across God's Frontiers Anne M. Butler, 2012-09-17 Roman Catholic sisters first traveled to the American West as providers of social services education and medical assistance In Across God's Frontiers Anne M Butler traces the ways in which sisters challenged and reconfigured contemporary ideas about women work religion and the West moreover she demonstrates how religious life became a vehicle for increasing women's agency and power Moving to the West introduced significant changes for these women including public employment and thoroughly unconventional monastic lives As nuns and sisters adjusted to new circumstances and immersed themselves in rugged environments Butler argues the West shaped them and through their labors and charities the sisters in turn shaped the West These female religious pioneers built institutions brokered relationships between Indigenous peoples and encroaching settlers and undertook varied occupations often without organized funding or direct support from the church hierarchy A comprehensive history of Roman Catholic nuns and sisters in the American West Across God's Frontiers reveals Catholic sisters as dynamic and creative architects of civic and religious institutions in western communities
