Sisters Single And Sanctified:

Sisters Single and Sanctified Pamela Mercer, 2003-12 Selfishly unselfish I found myself coming home each morning and writing something to a number of spiritual friends and e mail partners to inspire Each day I found myself calling on God and responding to a word responding to a prayer and responding to my personal supplication to be more pleasing to God I wanted to be a vessel of peace of love of tolerance and of patience What power to share a word and have someone replay with absolute emotion Respond that they have been fed they have been blessed or they have been encouraged Sisters Single and Sanctified was a project that started just that way as a method of encouraging others Several months and many pages later the completed work began to manifest as something that I wanted to share with an audience wider than my internet partners Each time I began a new page it was a blessing to take a piece of my own reality something that was shared with me as a minister to glorify God and to testify that life has many positive avenues I chose the road to spiritual thinking and spiritual living I made every effort to expand and expound in that very area in the pages of this book I have found many blessings in the writings and hope that the reader can do the same Inspired by a desire to be pleasing to God and to help others find an avenue or a channel to be as pleasing to God I wrote and completed Sisters Single and Sanctified **Single, Sanctified, and Satisfied** Evangelist Frances Elbert, 2020-10-02 This is a spiritual book for both single women and men who are struggling as they travel life without a mate It is hoped that after reading this book you will be able to navigate and begin seeing yourself in a better light Readers will come to the realization of Gods great blessings available to them Additionally I pray that you will reach a level of self assurance and total trust and dependency in God Come and journey with me as I share a few of my challenging moments of life to a point of reconciliation and true awakening that I am not missing out on anything but rather highly blessed *Sanctified Sisters* Jenny Wiley Legath, 2019-10-22 The first history of the deaconess movement in the United States In the late nineteenth century a new movement arose within American Protestant Christianity Unsalaries groups of women began living together wearing plain dress and performing nursing teaching and other works of welfare Modeled after the lifestyles of Catholic nuns these women became America s first deaconesses Sanctified Sisters the first history of the deaconess movement in the United States traces its origins in the late nineteenth century through to its present manifestations Drawing on archival research demographic surveys and material culture evidence Jenny Wiley Legath offers new insights into who the deaconesses were how they lived and what their legacy has been for women in Protestant Christianity The book argues that the deaconess movement enabled Protestant women particularly single women to gain power in a male dominated Protestant world They created hundreds of new institutions within Protestantism and created new roles for women within the church While some who study women s ordination draw a line from the deaconesses work to the struggle for women s ordination in various branches of Protestant Christianity Legath argues that most deaconesses were not interested in ordination Yet while they didn t mean to they did end up providing a foundation for today s ordination

debates Their very existence worked to open the possibility of ecclesiastically authorized women s agency Empathalia Ian Ralston Williams,2019-04-01 The year is 2120 Love is a normal happy Young Sister enjoying life in the Utopian state of Empathalia The Male virus has been all but Eradicated or has It In this humorous but revealing novel Love and her band of fellow Sisters will learn about the realities of Empathalia and life itself as they join the Sanctified Forces of Empathalia in the Great Mammary Mountains of Central Asia to finally rid the world of the final vestiges of the despised Male virus Editors view This story takes us to a world were Males are a virus and must be obliterated where women rule and not having empathy is a crime But can they really get rid of all males Find out in Ian Ralston Williams erotic tale Empathalia The Essence Of God's Family Daniel Yu,2013-01-01 This book gives us a better understanding of the essence of God s family and how we can live and build up such a church Something Old, Something New, Nothing Borrowed Don't Have the Blues Pamela Mercer,2018-03-05 Something Old Something New Nothing Borrowed Don t Have the Blues is a timely poetry anthology that traces the history of portions of our culture and paints a portrait of rural black history over decades With excerpts of life truth reality and the social stigmas of Chicago s ghettos lifestyles and how total devastation by drugs race and modern enslavement while battling history integrity and the historical economic growth and development of black America A piece of the past a piece of the present a piece of the future but above all a sense of peace in sharing the pages of an anthology that relates to so many in so many diverse and positive ways Neither blue nor dejected Something Old Something New Nothing Borrowed Don t Have the Blues is a now time creation with historical value and will take even that part of non black Americans to a place where so many truths can be seen and the passion of history development from third world existence to great leadership can be worldly recognized *One with the Father* Richard Evanoff,2023-08-03 When Justin escapes the comfortable medieval estate where his overbearing father has kept him sheltered his whole life hot in pursuit of the servant girl he has fallen in love with he finds himself caught up in a social order torn between extremes of wealth and poverty feudal hierarchy and peasant revolts ecclesiastical corruption and monastic piety gross injustices and boundless mercy The mid fourteenth century was a time not only of burgeoning towns majestic cathedrals and nascent universities but also of debauchery and violence the Black Death and Inquisition torture and ordeals In his encounters with noblemen and peasants alchemists and hermits monks and heretics knights and revolutionaries prostitutes and miscreants from the medieval underworld Justin comes to realize that he is entirely on his own as he confronts his personal moral failings and struggles to find faith in a world where God no longer seems to exist The Perfection of Our Faithful Wills Nicholas Rudolph Quient,2019-12-06 Be perfect as your heavenly Father is perfect What does it mean to be perfect Is entire sanctification possible in this life Such words evoke worry and wonder in this time In this introductory resource pastor Nick Quient carefully explores the relevant questions surrounding Pauline theology and the journey toward perfect holiness in Christ Addressing topics like sin heaven marriage and the work of Jesus Christ in relation to sanctification this book is a

helpful resource for the church and for pastor theologians who are seeking to live out the life of the Spirit *The Letters of Mary Penry* Scott Paul Gordon, 2018-07-03 In *The Letters of Mary Penry* Scott Paul Gordon provides unprecedented access to the intimate world of a Moravian single sister This vast collection of letters compiled transcribed and annotated by Gordon introduces readers to an unmarried woman who worked worshiped and wrote about her experience living in Moravian religious communities at the time of the American Revolution and early republic Penry a Welsh immigrant and a convert to the Moravian faith was well connected in both the international Moravian community and the state of Pennsylvania She counted among her acquaintances Elizabeth Sandwith Drinker and Hannah Callender Sansom two American women whose writings have also been preserved in addition to members of some of the most prominent families in Philadelphia such as the Shippens the Franklins and the Rushes This collection brings together more than seventy of Penry's letters few of which have been previously published Gordon's introduction provides a useful context for understanding the letters and the unique woman who wrote them This collection of Penry's letters broadens perspectives on early America and the eighteenth century Moravian Church by providing a sustained look at the spiritual and social life of a single woman at a time when singleness was extraordinarily rare It also makes an important contribution to the recovery of women's voices in early America amplifying views on politics religion and social networks from a time when few women's perspectives on these subjects have been preserved *Reconsidering Catholic Lay Womanhood* Kathryn G. Lamontagne, 2023-07-26 This book offers a new perspective on the often overlooked lives of lay women in the English Roman Catholic Church It explores how over a century ago in England some exceptional Catholic lay women Margaret Fletcher Maude Petre Radclyffe Hall and Mabel Batten negotiated non traditional family lives and were actively practicing their faith while not adhering to perceived structures of femininity power and sexuality Focusing on c 1880 1930 a time of dynamism and change in both England and the Church these remarkable women represent a rethinking of what it meant to be a lay woman in the English Roman Catholic Church Their pious transgressions demonstrate the multiplicity of ways lay women powerfully asserted aspects of their faith while contravening boundaries traditionally assumed for them in an ostensibly patriarchal religion In fact the Church could be a place for expressions of unconventional religiosity and reinterpretations of womanhood and domesticity Connecting together the lives of these women for the first time this work fills a lacuna in the scholarship of modern Catholic and gender history Drawing from private collections and numerous archives it illustrates the surprising range of modes of Lived Catholicism and devotion to faith Students and scholars of Catholicism gender and LGBTQIA studies will find significant merit in a book that assigns lay women a more prominent role in the English Catholic Church and offers examples of the flexibility of Roman Catholicism
