Mom, I thought of running with Peter. But he's in the school athletics team and I don't think I'd be able to keep up with him.

That's a great idea, Mom! I'll ask her right away.

Betty, why don't you ask your friend, Aisha? After all, you've not seen each other for a long time. And tell her not to worry about the registration fee. I'll take care of it.

Maria Economidou-Kogetsidis, Milica Savić, Nicola Halenko, 2021-10-15 This is the first edited collection focusing exclusively on how second language users interpret and engage with the processes of email writing With chapters written by an international array of scholars the present volume is dedicated to furthering the study of the growing field of L2 email pragmatics and addresses a range of interesting topics that have so far received comparatively scant attention Utilising both elicited and naturally occurring data the research in this volume takes the reader from a consideration of learners pragmatic development as reflected in email writing and their perceptions of the email medium to relational practices in various email functions and in a variety of academic contexts As a whole the contributions incorporate research with learners from a range

of proficiency levels language and cultural backgrounds and employ varied research designs in order to examine different email speech acts The book provides valuable new insights into the dynamic and complex interplay between cultural interlanguage pedagogical and medium specific factors shaping L2 email discourse and it is undoubtedly an important reference and resource for researchers graduate students and experienced language teachers

Reading in the Renaissance Marian Rothstein, 1999 Amadis de Gaule may well have been France's first real best seller When it first appeared in 1540 Amadis attracted the smart crowd court circles and rich bourgeois Its early editions are large luxury folios dedicated to members of the royal family But some twenty years after the Amadis phenomenon started it ended References to it in the last quarter of the sixteenth century tend to be either nostalgic or critical This book uses the rise and fall of Amadis de Gaule as a case study of the time bound nature of readers reading The rhetorical narrative and memorial techniques of Amadis also appear in other contemporary works where they have received little notice
